### WHAT WE DO

How does Community Resource Bank protect my personal information?

To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings. We also maintain other physical, electronic and procedural safeguards to protect this information and we limit access to information to those employees for whom access is appropriate.

How does Community Resource Bank collect my personal information?

We collect your personal information, for example, when you

- Open an account
- Pay your bills

- Apply for a loan
- Use your credit or debit card
- Make deposits or withdrawals from your account

We also collect your personal information from others, such as credit bureaus, affiliates, or other companies.

Why can't I limit all sharing?

Federal law gives you the right to limit only

- sharing for affiliates' everyday business purposes – information about your creditworthiness
- affiliates from using your information to market to you
- sharing for nonaffiliates to market to you

State laws and individual companies may give you additional rights to limit sharing
