What we do

How does Erie Federal Credit Union protect my personal information?	To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings. We restrict access to non-public personal information about you to designated personnel who need to know that information to provide products and services to you.
How does Erie Federal Credit Union collect my personal information?	We collect your personal information, for example, when you - open an account or apply for a loan - make a wire transfer or give us your contact information - show your driver's license We also collect your personal information from others, such as credit bureaus, affiliates, or other companies.
Why can't I limit all sharing?	Federal law gives you the right to limit only - sharing for affiliates' everyday business purposes – information about your creditworthiness - affiliates from using your information to market to you - sharing for nonaffiliates to market to you State law and individual companies may give you additional rights to limit sharing.
