## TERMS AND CONDITIONS OF YOUR ACCOUNT

**IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT** - To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

**AGREEMENT** - This document, along with any other documents we give you pertaining to your account(s), is a contract that establishes rules which control your account(s) with us. Please read this carefully. If you sign the signature card or open or continue to use the account, you agree to these rules. You will receive a separate schedule of rates, qualifying balances, and fees if they are not included in this document. If you have any questions, please call us.

This agreement is subject to applicable federal laws and the laws of the state of Florida (except to the extent that this agreement can and does vary such rules or laws). The body of state and federal law that governs our relationship with you, however, is too large and complex to be reproduced here. The purpose of this document is to:

- (1) summarize some laws that apply to common transactions;
- (2) establish rules to cover transactions or events which the law does not regulate;
- (3) establish rules for certain transactions or events which the law regulates but permits variation by agreement; and
- (4) give you disclosures of some of our policies to which you may be entitled or in which you may be interested.

If any provision of this document is found to be unenforceable according to its terms, all remaining provisions will continue in full force and effect. We may permit some variations from our standard agreement, but we must agree to any variation in writing either on the signature card for your account or in some other document.

As used in this document the words "we," "our," and "us" mean the financial institution and the words "you" and "your" mean the account holder(s) and anyone else with the authority to deposit, withdraw, or exercise control over the funds in the account. The headings in this document are for convenience or reference only and will not govern the interpretation of the provisions. Unless it would be inconsistent to do so, words and phrases used in this document should be construed so the singular includes the plural and the plural includes the singular. "Party" means a person who, by the terms of an account, has a present right, subject to request, to payment from the account other than as a beneficiary or agent.

**LIABILITY** - You agree, for yourself (and the person or entity you represent if you sign as a representative of another) to the terms of this account and the schedule of charges. You authorize us to deduct these charges directly from the account balance as accrued. You will pay any additional reasonable charges for services you request which are not covered by this agreement.

Each of you also agrees to be jointly and severally (individually) liable for any account shortage resulting from charges or overdrafts, whether caused by you or another with access to this account. This liability is due immediately, and can be deducted directly from the account balance whenever sufficient funds are available. You have no right to defer payment of this liability, and you are liable regardless of whether you signed the item or benefited from the charge or overdraft. You will also be liable for our costs to collect the deficit as well as for our reasonable attorneys' fees, to the extent permitted by law, whether incurred as a result of collection or in any other dispute involving your account including, but not limited to, disputes between you and another joint owner; you and an authorized signer or similar party; or a third party claiming an interest in your account.

**DEPOSITS** - We will give only provisional credit until collection is final for any items, other than cash, we accept for deposit (including items drawn "on us"). Actual credit for deposits of, or payable in, foreign currency will be at the exchange rate in effect on final collection in U.S. dollars. We are not responsible for transactions by mail or outside depository until we actually record them. We will treat and record all transactions received after our "daily cutoff time" on a business day we are open, or received on a day we are not open for business, as if initiated on the next business day that we are open.

**WITHDRAWALS** - Unless clearly indicated otherwise on the account records, any of you, acting alone, who signs to open the account or has authority to make withdrawals may withdraw or transfer all or any part of the account balance at any time. Each of you (until we receive written notice to the contrary) authorizes each other person who signs or has authority to make withdrawals to indorse any item payable to you or your order for deposit to this account or

any other transaction with us. You agree that, as to any item that we have no opportunity to examine the signatures, such as an electronic check conversion transaction where a check or similar item is converted into an electronic fund transfer as defined in the Electronic Fund Transfers regulation, you waive any requirement of multiple signatures for withdrawal. We may charge your account for a check even though payment was made before the date of the check, unless we have received written notice of the postdating in time to have a reasonable opportunity to act. We may refuse any withdrawal or transfer request which you attempt on forms not approved by us, by any method we do not specifically permit, which is greater in number than the frequency permitted, or which is for an amount greater or less than any withdrawal limitations. Even if we honor a nonconforming request, we may treat continued abuse of the stated limitations (if any) as your act of closing the account. We will use the date the transaction is completed by us (as opposed to the date you initiate it) to apply the frequency limitations. The fact that we may honor withdrawal requests that overdraw the available account balance does not obligate us to do so later. You agree that we may charge fees for overdrafts and use subsequent deposits, including direct deposits of social security or other government benefits, to cover such overdrafts and overdraft fees. If we are presented with an item drawn against your account that would be a "substitute check," as defined by law, but for an error or defect in the item introduced in the substitute check creation process, you agree that we may pay such item. See the funds availability policy disclosure for information about when you can withdraw funds you deposit. For those accounts for which our funds availability policy disclosure does not apply, you can ask us when you make a deposit when those funds will be available for withdrawal.

We may require not less than 7 days' notice in writing before each withdrawal from an interest-bearing account other than a time deposit, or from any other savings account as defined by Regulation D. Withdrawals from a time account prior to maturity or prior to any notice period may be restricted and may be subject to penalty. See your notice of penalty for early withdrawal.

**OWNERSHIP OF ACCOUNT AND BENEFICIARY DESIGNATION** - These rules apply to this account depending on the form of ownership and beneficiary designation, if any, specified on the account records. We make no representations as to the appropriateness or effect of the ownership and beneficiary designations, except as they determine to whom we pay the account funds.

**Single-Party Account** - Such an account is owned by one party.

**Multiple-Party Account** - Such an account is payable on request to one or more of two or more parties, whether or not a right of survivorship is mentioned.

**Multiple-Party Account - Tenancy by the Entireties** - The parties to the account are husband and wife and hold the account as tenants by the entirety.

**RIGHTS AT DEATH - Single-Party Account** - At the death of a party, ownership passes as part of the party's estate.

**Multiple-Party Account With Right of Survivorship** - At death of party, ownership passes to the surviving party or parties.

**Multiple-Party Account Without Right of Survivorship** - At death of party, deceased party's ownership passes as part of deceased party's estate.

**Single-Party Account With Pay-on-Death Designation** - At death of the party, ownership passes to the designated pay-on-death beneficiaries and is not part of the party's estate.

**Multiple-Party Account With Right of Survivorship and Pay-on-Death Designation** - At death of last surviving party, ownership passes to the designated pay-on-death beneficiaries and is not part of the last surviving party's estate.

**BUSINESS, ORGANIZATION AND ASSOCIATION ACCOUNTS** - Earnings in the form of interest, dividends, or credits will be paid only on collected funds, unless otherwise provided by law or our policy. We may require the governing body of the entity opening the account to give us a separate authorization telling us who is authorized to act on its behalf. We will honor the authorization until we actually receive written notice of a change from the governing body of the entity.

**STOP PAYMENTS** - You must make any stop-payment order in the manner required by law and we must receive it in time to give us a reasonable opportunity to act on it before our stop-payment cutoff time. To be effective, your stop-payment order must precisely identify the number, date and amount of the item, and the payee.

You may stop payment on any item drawn on your account whether you sign the item or not, if you have an equal or greater right to withdraw from this account than the person who signed the item. A release of the stop-payment request may be made only by the person who initiated the stop-payment order.

Our stop-payment cutoff time is one hour after the opening of the next banking day after the banking day on which we receive the item. Additional limitations on our obligation to stop payment are provided by law (e.g., we paid the item in cash or we certified the item).

**TELEPHONE TRANSFERS** - A telephone transfer of funds from this account to another account with us, if otherwise arranged for or permitted, may be made by the same persons and under the same conditions generally applicable to withdrawals made in writing. Unless a different limitation is disclosed in writing, we restrict the number of transfers from a savings account to another account or to

third parties, to a maximum of six per month (less the number of "preauthorized transfers" during the month). Other account transfer restrictions may be described elsewhere.

**AMENDMENTS AND TERMINATION** - We may change any term of this agreement. Rules governing changes in interest rates are provided separately. For other changes, we will give you reasonable notice in writing or by any other method permitted by law. We may also close this account at any time upon reasonable notice to you and tender of the account balance personally or by mail. Notice from us to any one of you is notice to all of you.

**STATEMENTS - Your duty to report unauthorized signatures, alterations and forgeries** - You must examine your statement of account with "reasonable promptness." If you discover (or reasonably should have discovered) any unauthorized signatures or alterations, you must promptly notify us of the relevant facts. As between you and us, if you fail to do either of these duties, you will have to either share the loss with us, or bear the loss entirely yourself (depending on whether we used ordinary care and, if not, whether we substantially contributed to the loss). The loss could be not only with respect to items on the statement but other items with unauthorized signatures or alterations by the same wrongdoer.

You agree that the time you have to examine your statement and report to us will depend on the circumstances, but will not, in any circumstance, exceed a total of 30 days from when the statement is first sent or made available to you.

You further agree that if you fail to report any unauthorized signatures, alterations or forgeries in your account within 60 days of when we first send or make the statement available, you cannot assert a claim against us on any items in that statement, and as between you and us the loss will be entirely yours. This 60-day limitation is without regard to whether we used ordinary care. The limitation in this paragraph is in addition to that contained in the first paragraph of this section.

**Your duty to report other errors** - In addition to your duty to review your statements for unauthorized signatures, alterations and forgeries, you agree to examine your statement with reasonable promptness for any other error - such as an encoding error. You agree that the time you have to examine your statement and report to us will depend on the circumstances. However, such time period shall not exceed 60 days. Failure to examine your statement and report any such errors to us within 60 days of when we first send or make the statement available precludes you from asserting a claim against us for any such errors on items identified in that statement and as between you and us the loss will be entirely yours.

**Errors relating to electronic fund transfers or substitute checks** - For information on errors relating to electronic fund transfers (e.g., computer, debit card or ATM transactions) refer to your Electronic Fund Transfers disclosure and the sections on consumer liability and error resolution. For information on errors relating to a substitute check you received, refer to your disclosure entitled Substitute Checks and Your Rights.

**ACCOUNT TRANSFER** - This account may not be transferred or assigned without our prior written consent.

**DIRECT DEPOSITS** - If, in connection with a direct deposit plan, we deposit any amount in an account which should have been returned to the Federal Government for any reason, you authorize us to deduct the amount of our liability to the Federal Government from the account or from any other account you have with us, without prior notice and at any time, except as prohibited by law. We may also use any other legal remedy to recover the amount of our liability.

**TEMPORARY ACCOUNT AGREEMENT** - If this option is selected, this is a temporary account agreement. Each person who signs to open the account or has authority to make withdrawals (except as indicated to the contrary) may transact business on this account. However, we may at some time in the future restrict or prohibit further use of this account if you fail to comply with the requirements we have imposed within a reasonable time.

**SETOFF** - We may (without prior notice and when permitted by law) set off the funds in this account against any due and payable debt you owe us now or in the future, by any of you having the right of withdrawal, to the extent of such persons' or legal entity's right to withdraw. If the debt arises from a note, "any due and payable debt" includes the total amount of which we are entitled to demand payment under the terms of the note at the time we set off, including any balance the due date for which we properly accelerate under the note.

This right of setoff does not apply to this account if prohibited by law. For example, the right of setoff does not apply to this account if: (a) it is an Individual Retirement Account or similar tax-deferred account, or (b) the debt is created by a consumer credit transaction under a credit card plan (but this does not affect our rights under any consensual security interest), or (c) the debtor's right of withdrawal only arises in a representative capacity. We will not be liable for the dishonor of any check when the dishonor occurs because we set off a debt against this account. You agree to hold us harmless from any claim arising as a result of our exercise of our right of setoff.

**CONVENIENCE ACCOUNT AGENT (Single-Party Accounts only)** - A convenience account, as defined by Florida law, means a deposit account other than a certificate of deposit, in the name of one individual, in which one or more individuals have been designated as agent with the right to make deposits to and

withdraw funds from or draw checks on such account on the owner's behalf. A single individual is the owner, and the agent is merely designated to conduct transactions on the owner's behalf. Only the owner may designate, substitute, or remove an agent. We undertake no obligation to monitor transactions to determine that they are on the owner's behalf.

**RESTRICTIVE LEGENDS** - We are not required to honor any restrictive legend on checks you write unless we have agreed in writing to the restriction. Examples of restrictive legends are "must be presented within 90 days" or "not valid for more than \$1,000.00."

**CHECK PROCESSING** - We may process items mechanically by relying on the information encoded along the bottom of the items. This means that we may not individually examine all of your items to determine if the item is properly completed, signed and indorsed. You agree that we have not failed to exercise ordinary care solely because we use an automated system to process items and do not inspect all items processed in such a manner. We reserve the right not to inspect each item because using an automated process helps us keep costs down for you and all account holders. We may determine the amount of available funds in your account for the purpose of deciding whether to return an item for insufficient funds at any time between the time we receive the item and when we return the item or send a notice in lieu of return. We need only make one determination, but if we choose to make a subsequent determination, the account balance at the subsequent time will determine whether there are insufficient available funds.

**CHECK CASHING** - We may charge a fee for anyone that does not have an account with us who is cashing a check, draft or other instrument written on your account. We may also require reasonable identification to cash such a check, draft or other instrument. We can decide what identification is reasonable under the circumstances and such identification may be documentary or physical and may include collecting a thumbprint or fingerprint.

**ACH AND WIRE TRANSFERS** - This agreement is subject to Article 4A of the Uniform Commercial Code - Fund Transfers as adopted in the state in which you have your account with us. If you originate a fund transfer for which Fedwire is used, and you identify by name and number a beneficiary financial institution, an intermediary financial institution or a beneficiary, we and every receiving or beneficiary financial institution may rely on the identifying number to make payment. We may rely on the number even if it identifies a financial institution, person or account other than the one named. You agree to be bound by automated clearing house association rules. These rules provide, among other things, that payments made to you, or originated by you, are provisional until final settlement is made through a Federal Reserve Bank or payment is otherwise made as provided in Article 4A-403(a) of the Uniform Commercial Code. If we do not receive such payment, we are entitled to a refund from you in the amount credited to your account and the party originating such payment will not be considered to have paid the amount so credited. If we receive a payment order to credit an account you have with us by wire or ACH, we are not required to give you any notice of the payment order or credit.

**UNLAWFUL INTERNET GAMBLING NOTICE** - Restricted transactions as defined in Federal Reserve Regulation GG are prohibited from being processed through this account or relationship. Restricted transactions generally include, but are not limited to, those in which credit, electronic fund transfers, checks, or drafts are knowingly accepted by gambling businesses in connection with the participation by others in unlawful Internet gambling.

**REMOTELY CREATED CHECKS** - Like any standard check or draft, a remotely created check (sometimes called a telecheck, preauthorized draft or demand draft) is a check or draft that can be used to withdraw money from an account. Unlike a typical check or draft, however, a remotely created check is not issued by the paying bank and does not contain the signature of the account owner (or a signature purported to be the signature of the account owner). In place of a signature, the check usually has a statement that the owner authorized the check or has the owner's name typed or printed on the signature line. For example, if a person provides an account number in response to a telephone solicitation, the telephone solicitor can use the account number to issue a remotely created check to withdraw money from that account.

You warrant and agree to the following for every remotely created check we receive from you for deposit or collection: (1) you have received express and verifiable authorization to create the check in the amount and to the payee that appears on the check; (2) you will maintain proof of the authorization for at least 2 years from the date of the authorization, and supply us the proof if we ask; and (3) if a check is returned you owe us the amount of the check, regardless of when the check is returned. We may take funds from your account to pay the amount you owe us, and if there are insufficient funds in your account, you still owe us the remaining balance.

**TRUNCATION, SUBSTITUTE CHECKS, AND OTHER CHECK IMAGES** - If you truncate an original check and create a substitute check, or other paper or electronic image of the original check, you warrant that no one will be asked to make payment on the original check, a substitute check or any other electronic or paper image, if the payment obligation relating to the original check has already been paid. You also warrant that any substitute check you create conforms to the

legal requirements and generally accepted specifications for substitute checks. You agree to retain the original check in conformance with our internal policy for retaining original checks. You agree to indemnify us for any loss we may incur as a result of any truncated check transaction you initiate. We can refuse to accept substitute checks that have not previously been warranted by a bank or other financial institution in conformance with the Check 21 Act. Unless specifically stated in a separate agreement between you and us, we do not have to accept any other electronic or paper image of an original check.

## ELECTRONIC FUND TRANSFERS YOUR RIGHTS AND RESPONSIBILITIES

Indicated below are types of Electronic Fund Transfers we are capable of handling, some of which may not apply to your account. Please read this disclosure carefully because it tells you your rights and obligations for the transactions listed. You should keep this notice for future reference.

**Electronic Fund Transfers Initiated By Third Parties.** You may authorize a third party to initiate electronic fund transfers between your account and the third party's account. These transfers to make or receive payment may be one-time occurrences or may recur as directed by you. These transfers may use the Automated Clearing House (ACH) or other payments network. Your authorization to the third party to make these transfers can occur in a number of ways. For example, your authorization to convert a check to an electronic fund transfer or to electronically pay a returned check charge can occur when a merchant provides you with notice and you go forward with the transaction (typically, at the point of purchase, a merchant will post a sign and print the notice on a receipt). In all cases, these third party transfers will require you to provide the third party with your account number and bank information. This information can be found on your check as well as on a deposit or withdrawal slip. Thus, you should only provide your bank and account information (whether over the phone, the Internet, or via some other method) to trusted third parties whom you have authorized to initiate these electronic fund transfers. Examples of these transfers include, but are not limited to:

- **Preauthorized credits.** You may make arrangements for certain direct deposits to be accepted into your checking or savings account(s).
- **Preauthorized payments.** You may make arrangements to pay certain recurring bills from your checking or savings account(s).
- **Electronic check conversion.** You may authorize a merchant or other payee to make a one-time electronic payment from your checking account using information from your check to pay for purchases or pay bills.
- **Electronic returned check charge.** You may authorize a merchant or other payee to initiate an electronic funds transfer to collect a charge in the event a check is returned for insufficient funds.

**ATM Transfers - types of transfers and dollar limitations** - You may access your account(s), depending on your initial agreement and provided that you have sufficient funds, by ATM using your Visa Check Card and personal identification number (PIN), to:

- get cash withdrawals from checking account(s)
  - you may withdraw no more than \$500.00 per day
- get cash withdrawals from savings account(s)
  - you may withdraw no more than \$500.00 per day
- transfer funds from savings to checking account(s)
- transfer funds from checking to savings account(s)
- transfer funds from checking to checking
- transfer funds from savings to savings
- get information about:
  - the account balance of your checking account(s) (at proprietary ATMs only)
  - the account balance of your savings account(s) (at proprietary ATMs only)

Some of these services may not be available at all terminals.

**Types of Visa Check Card Point-of-Sale Transactions** - You may access your checking or savings account(s), depending on your initial agreement and provided that you have sufficient funds, to purchase goods (in person, online, or by phone), pay for services (in person, online, or by phone), get cash from a merchant, if the merchant permits, or from a participating financial institution, and do anything that a participating merchant will accept.

**Point-of-Sale Transactions - dollar limitations and charges** - Using your card:

- dollar limitations will be disclosed at card issuance
- Please refer to our separate fee schedule for the amount of any applicable fees for your debit card.

**Currency Conversion.** When you use your Visa Check Card at a merchant that settles in currency other than US dollars, the charge will be converted into the US dollar amount. The currency conversion rate used to determine the transaction

amount in US dollars is either a rate selected by Visa from the range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate Visa itself receives, or the government-mandated rate in effect for the applicable central processing date. The conversion rate in effect on the processing date may differ from the rate in effect on the transaction date or posting date.

**Advisory Against Illegal Use.** You agree not to use your card(s) for illegal gambling or other illegal purpose. Display of a payment card logo by, for example, an online merchant does not necessarily mean that transactions are lawful in all jurisdictions in which the cardholder may be located.

**Non-Visa Debit Transaction Processing.** We have enabled non-Visa debit transaction processing. This means you may use your Visa-branded debit card or ESPIRITO SANTO Bank Debit Visa on a PIN-Debit Network\* (a non-Visa network) without using a PIN.

The non-Visa debit network(s) for which such transactions are enabled is: STAR Network.

Examples of the types of actions that you may be required to make to initiate a Visa transaction on your Visa-branded debit card or ESPIRITO SANTO Bank Debit Visa include signing a receipt, providing a card number over the phone or via the Internet, swiping the card through a point-of-sale terminal, or obtain cash.

Examples of the types of actions you may be required to make to initiate a transaction on a PIN-Debit Network include initiating a payment directly with the biller (possibly via telephone, Internet, or kiosk locations), responding to a logo displayed at a payment site and choosing to direct payment through that network, and having your identity verified using known information derived from an existing relationship with you instead of through use of a PIN.

Examples of the types of actions you may be required to make to initiate a transaction on the STAR Network include initiating a payment directly with the biller, possibly via telephone, Internet, or kiosk locations. STAR Network billers are required to display the STAR logo. STAR Network billers must also allow you to choose how your payment is directed. Thus, you could see the STAR logo and choose to direct your payment through the STAR Network. In addition, STAR Bill Payments are not authenticated with a PIN; instead the biller authenticates your identity using known information derived from an existing relationship with you.

The provisions of your agreement with us relating only to Visa transactions are not applicable to non-Visa transactions. For example, the additional limits on liability (sometimes referred to as Visa's zero-liability program) and the streamlined error resolution procedures offered on Visa debit card transactions are not applicable to transactions processed on a PIN-Debit Network.

\*Visa Rules generally define **PIN-Debit Network** as a non-Visa debit network that typically authenticates transactions by use of a personal identification number (PIN) but that is not generally known for having a card program.

**Online Banking Computer Transfers - types of transfers** - You may access your account(s) by computer through the internet by logging onto our website at [www.esbf.com](http://www.esbf.com) and using your personal User ID and password, to:

- get information about:
  - the account balance of checking account(s)
  - the account balance of savings account(s)
- utilize Selected Services depending on agreed upon Service Application.
- make transfers between linked accounts

For further details on online banking, please refer to **Terms and Conditions For Online Banking and Wire Transfer Addendum.**

#### FEES

- We do not charge for direct deposits to any type of account.
- **Please refer to the bank's fee schedule.**

Except as indicated elsewhere, we do not charge for these electronic fund transfers.

**ATM Operator/Network Fees.** When you use an ATM not owned by us, you may be charged a fee by the ATM operator or any network used (and you may be charged a fee for a balance inquiry even if you do not complete a fund transfer).

#### DOCUMENTATION

- **Terminal transfers.** You can get a receipt at the time you make a transfer to or from your account using an automated teller machine or point-of-sale terminal. However, you may not get a receipt if the amount of the transfer is \$15 or less.
- **Preauthorized credits.** If you have arranged to have direct deposits made to your account at least once every 60 days from the same

person or company, the person or company making the deposit will tell you every time they send us the money.

- **Preauthorized credits.** If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company, you can call us at (305) 539-7700 to find out whether or not the deposit has been made.

- **Periodic statements.**

You will get a monthly account statement from us for your checking and savings accounts.

#### PREAUTHORIZED PAYMENTS

- **Right to stop payment and procedure for doing so.** If you have told us in advance to make regular payments out of your account, you can stop any of these payments. Here is how:

Call or write us at the telephone number or address listed in this brochure in time for us to receive your request 3 business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call.

Please refer to our separate fee schedule for the amount we will charge you for each stop-payment order you give.

- **Notice of varying amounts.** If these regular payments may vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be. (You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.)

- **Liability for failure to stop payment of preauthorized transfer.** If you order us to stop one of these payments 3 business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

#### FINANCIAL INSTITUTION'S LIABILITY

**Liability for failure to make transfers.** If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

- (1) If, through no fault of ours, you do not have enough money in your account to make the transfer.
- (2) If you have an overdraft line and the transfer would go over the credit limit.
- (3) If the automated teller machine where you are making the transfer does not have enough cash.
- (4) If the terminal or system was not working properly and you knew about the breakdown when you started the transfer.
- (5) If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.
- (6) There may be other exceptions stated in our agreement with you.

#### CONFIDENTIALITY

We will disclose information to third parties about your account or the transfers you make:

- (1) where it is necessary for completing transfers; or
- (2) in order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; or
- (3) in order to comply with government agency or court orders; or
- (4) as explained in the separate Privacy Disclosure.

#### UNAUTHORIZED TRANSFERS

**(a) Consumer liability.** Tell us AT ONCE if you believe your card and/or code has been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within 2 business days after you learn of the loss or theft of your card and/or code, you can lose no more than \$50 if someone used your card and/or code without your permission.

If you do NOT tell us within 2 business days after you learn of the loss or theft of your card and/or code, and we can prove we could have stopped someone from using your card and/or code without your permission if you had told us, you could lose as much as \$500.

Also, if your statement shows transfers that you did not make, including those made by card, code or other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time.

If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

• **Additional Limit on Liability for Visa Check Card.** Unless you have been grossly negligent or have engaged in fraud, you will not be liable for any unauthorized transactions using your lost or stolen Visa Check Card. This additional limit on liability does not apply to ATM transactions or to transactions using your Personal Identification Number which are not processed by VISA®.

**(b) Contact in event of unauthorized transfer.** If you believe your card and/or code has been lost or stolen, call or write us at the telephone number or address listed in this brochure. You should also call the number or write to the address listed in this brochure if you believe a transfer has been made using the information from your check without your permission.

#### ERROR RESOLUTION NOTICE

In Case of Errors or Questions About Your Electronic Transfers, Call or Write us at the telephone number or address listed in this brochure, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

- (1) Tell us your name and account number (if any).
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- (3) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days (5 business days for Visa Check Card point-of-sale transactions processed by Visa and 20 business days if the transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a new account, a point-of-sale transaction, or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (5 business days for Visa Check Card point-of-sale transactions processed by Visa and 20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. Your account is considered a new account for the first 30 days after the first deposit is made, unless each of you already has an established account with us before this account is opened.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation.

You may ask for copies of the documents that we used in our investigation.

#### NOTICE OF ATM/NIGHT DEPOSIT FACILITY USER PRECAUTIONS

As with all financial transactions, please exercise discretion when using an automated teller machine (ATM) or night deposit facility. For your own safety, be careful. The following suggestions may be helpful.

1. Prepare for your transactions at home (for instance, by filling out a deposit slip) to minimize your time at the ATM or night deposit facility.
2. Mark each transaction in your account record, but not while at the ATM or night deposit facility. Always save your ATM receipts. Don't leave them at the ATM or night deposit facility because they may contain important account information.
3. Compare your records with the account statements you receive.
4. Don't lend your ATM card to anyone.
5. Remember, do not leave your card at the ATM. Do not leave any documents at a night deposit facility.
6. Protect the secrecy of your Personal Identification Number (PIN). Protect your ATM card as though it were cash. Don't tell anyone your PIN. Don't give anyone information regarding your ATM card or PIN over the telephone. Never enter your PIN in any ATM that does not look genuine, has been modified, has a suspicious device attached, or is operating in a suspicious manner. Don't write your PIN where it can be discovered. For example, don't keep a note of your PIN in your wallet or purse.
7. Prevent others from seeing you enter your PIN by using your body to shield their view.

8. If you lose your ATM card or if it is stolen, promptly notify us. You should consult the other disclosures you have received about electronic fund transfers for additional information about what to do if your card is lost or stolen.
9. When you make a transaction, be aware of your surroundings. Look out for suspicious activity near the ATM or night deposit facility, particularly if it is after sunset. At night, be sure that the facility (including the parking area and walkways) is well lighted. Consider having someone accompany you when you use the facility, especially after sunset. If you observe any problem, go to another ATM or night deposit facility.
10. Don't accept assistance from anyone you don't know when using an ATM or night deposit facility.
11. If you notice anything suspicious or if any other problem arises after you have begun an ATM transaction, you may want to cancel the transaction, pocket your card and leave. You might consider using another ATM or coming back later.
12. Don't display your cash; pocket it as soon as the ATM transaction is completed and count the cash later when you are in the safety of your own car, home, or other secure surrounding.
13. At a drive-up facility, make sure all the car doors are locked and all of the windows are rolled up, except the driver's window. Keep the engine running and remain alert to your surroundings.
14. We want the ATM and night deposit facility to be safe and convenient for you. Therefore, please tell us if you know of any problem with a facility. For instance, let us know if a light is not working or there is any damage to a facility. Please report any suspicious activity or crimes to both the operator of the facility and the local law enforcement officials immediately.

## YOUR ABILITY TO WITHDRAW FUNDS

This policy statement applies to all deposit accounts.

Our policy is to make funds from your check deposits available to you on the second business day after the day we receive your deposit, with the first \$200 available on the first business day after the day of your deposit. Electronic direct deposits will be available on the day we receive the deposit. Cash, wire transfers, and some specified check deposits will also be available before the second business day, as detailed below. Once the funds are available, you can withdraw them in cash and we will use the funds to pay checks that you have written.

Please remember that even after we have made funds available to you, and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before 4:00 P.M. on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after 4:00 P.M. or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

### Same-Day Availability

Funds from electronic direct deposits to your account will be available on the day we receive the deposit.

### Next-Day Availability

Funds from the following deposits are available on the first business day after the day of your deposit:

U.S. Treasury checks that are payable to you.

Wire transfers.

Checks drawn on Espirito Santo Bank.

If you make the deposit in person to one of our employees, funds from the following deposits are also available on the first business day after the day of your deposit:

Cash.

State and local government checks that are payable to you.

Cashier's, certified, and teller's checks that are payable to you.

Federal Reserve Bank checks, Federal Home Loan Bank checks, and postal money orders, if these items are payable to you.

If you do not make your deposit in person to one of our employees (for example, if you mail the deposit), funds from these deposits will be available on the second business day after the day we receive your deposit.

### Other Check Deposits Subject to Second-Day Availability

The first \$200 from a deposit of other checks will be available on the first business day after the day of your deposit. The remaining funds will be available on the second business day after the day of your deposit.

For example, if you deposit a check of \$700 on a Monday, \$200 of the deposit is available on Tuesday. The remaining \$500 is available on Wednesday.

### LONGER DELAYS MAY APPLY

Funds you deposit by check may be delayed for a longer period under the following circumstances:

We believe a check you deposit will not be paid.

You deposit checks totaling more than \$5,000 on any one day.

You redeposit a check that has been returned unpaid.

You have overdrawn your account repeatedly in the last six months.

There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

### SPECIAL RULES FOR NEW ACCOUNTS

If you are a new customer, the following special rules will apply during the first 30 days your account is open.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,000 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to use a special deposit slip). The excess over \$5,000 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,000 will not be available until the second business day after the day of your deposit.

Funds from all other check deposits will be available on the tenth business day after the day of your deposit.

See Certificate of Deposit for Crediting Frequency.

**Daily balance computation method** - The Bank will use the daily balance method to calculate the interest for the deposit payable at the rate set out in the certificate. Interest so earned will be paid by check or by credit to the owner's checking or savings account in the bank.

**Accrual of interest on noncash deposits** - Interest begins to accrue no later than the business day we receive credit for the deposit of noncash items (for example, checks).

### Transaction limitations:

**Minimum balance to open the account** - You must deposit \$50,000.00 to open this account or an equivalent of a \$50,000.00 certificate of deposit in foreign currency.

You may not make any deposits into your account before maturity.

You may make withdrawals of principal from your account before maturity only if we agree at the time you request the withdrawal. Principal withdrawn before maturity is included in the amount subject to early withdrawal penalty.

You can only withdraw interest credited in the term before maturity of that term without penalty. You can withdraw interest any time during the term of crediting after it is credited to your account.

**Early withdrawal penalties** (a penalty may be imposed for withdrawals before maturity) -

Federal law and regulations permit imposing a penalty on early withdrawal as follows: A depositor shall forfeit at least three months of interest on the amount withdrawn at the rate being paid on the deposit. If the amount withdrawn has remained on deposit for less than three months, all interest will be forfeited and there will be a reduction in the principal sum of the deposit.

In certain circumstances such as the death or incompetence of an owner of this account, the law permits, or in some cases requires, the waiver of the early withdrawal penalty. Other exceptions may also apply, for example, if this is part of an IRA or other tax-deferred savings plan.

**Withdrawal of interest prior to maturity** - The annual percentage yield assumes interest will remain on deposit until maturity. A withdrawal will reduce earnings.

**Automatically renewable time account** - Your certificate of deposit will automatically renew at maturity, unless you requested otherwise at opening. Each renewal term will be the same as the original terms, beginning on the maturity date. Unless we tell you otherwise in writing, the interest rate will be the rate the bank offers at the time of renewal for a new certificate of deposit under the same terms as the renewed certificate. You will have a grace period of seven (7) calendar days after maturity to withdraw the funds without being charged an early withdrawal penalty. You may prevent renewal if you withdraw the funds in the account at maturity (or within the grace period, if any) or we receive written notice from you before maturity of your intention not to renew.

### Fees:

Please refer to the bank's fee schedule.
