Debit Card Fraud Notice

Due to the large number of fraudulent debit card transactions, please contact the credit union before traveling out of state or out of the country. Your debit card will work in most ATM's and transactions that require a PIN for approval. Thank you for your patience and understanding regarding this matter.

Tips for Using Your Debit Card

It is important to always know your current shared draft (checking) account balance. Remember not all share drafts (checks) have cleared your account.

Always keep your receipts. Record your transactions in your register as soon as possible. Remember to deduct ATM fees that may be incurred for using ATM's not listed as free.

Carefully review your monthly statements. If you suspect any mistakes, please call us as soon as possible so we can help resolve the problem.

If your card is lost or stolen contact us immediately at 1-800-530-5154. Reporting fraud quickly can help ensure that you are not liable for fraudulent transactions.

*Enroll your debit card with VERIFIED BY VISA! See our Links page for enrollment website
