In addition to your privacy, fraud protection is a priority at FCB Banks. Therefore, we would like to remind you to NEVER RESPOND to any phone or email requests to VERIFY or PROVIDE any personal information such as account numbers, PIN numbers and/or Social Security Numbers. Perpetrators of fraud may pose as employees of fraudulent companies or misrepresent themselves as officials of banks. This is known as "Phishing". Some "Phishers" are trying to scam consumers by telling them that their personal information is already listed on the internet and it needs to be deleted to avoid fraud; they then ask you to "verify" information for them. DO NOT RESPOND TO THESE REQUESTS. If you receive a phone call or e-mail of this nature, call your bank immediately.

To further protect you, FCB Banks has partnered with MasterCard to implement a system to monitor debit card activity on your account that could be "suspicious". This may include multiple transactions on the same day or high-dollar purchases. This activity is reviewed by our Electronic Operations Department and, on occasion, we may call to verify that recent debit card purchases have been authorized by you.

FCB has committed to offer the best "E" products and services to our customers. For our Business customers, we now offer "Deposit Express".
