MasterCard® Prepaid Cardholder Terms & Agreement

This MasterCard® Prepaid Cardholder Terms & Agreement (this “Agreement”) is the terms and conditions governing our issuance and your use of the First National Bank Texas (“FNBT”) or First Convenience Bank (“FCB”) MasterCard® Prepaid Card (the “Card”). Please read this Agreement carefully and keep it for your records. By purchasing, signing or using the Card, or authorizing another person to use the Card, you are agreeing to the terms and conditions in this Agreement. In this Agreement, “you” and “your” mean (a) the person to whom we issue the Card; (b) the person who receives the Card; and (c) each person who uses the Card. The terms “we,” “us” and “our” mean FNBT/FCB and its successors, agents and assigns.

About the Card

The Card is a prepaid debit card and is not a device that accesses money in an individual checking or savings account and does not earn interest. You may reload additional amounts onto your Card. The Card is not a credit card or a charge card that allows you to make purchases or obtain advances and pay later.

Amounts that you load or reload on a Card are insured by the Federal Deposit Insurance Corporation (FDIC) up to the maximum amount provided by applicable law (currently \$250,000 per depositor). In order to ensure that you receive FDIC deposit insurance coverage on amounts that you load on your Card, you must keep your contact information up to date with us. You acknowledge and agree that we maintain all amounts that are loaded on all Cards issued by us in one aggregate account in our name as custodian for all holders of Cards. That means that amounts you load on your Card are commingled with amounts loaded on other Cards by other customers.

Note: The amounts you load on your Card from time to time will be combined for FDIC deposit insurance purposes with other amounts you may have on deposit with FNBT and FCB. FCB is a division of FNBT and is not a separate depository institution for deposit insurance purposes.

The Card is our property, and we reserve the right to cancel, repossess, or revoke its use at any time without prior notice, subject to applicable law.

If we are unable to verify your identity or confirm that you can lawfully enter into and form contracts under applicable law, we will return to you the amount loaded on your Card and any fees you paid or, at our option, allow you to use a temporary Card until the balance on the temporary Card is \$0. If you falsify, misrepresent, or fail to provide requested information, we may cancel your Card. In addition, funds tied to potentially illicit or illegal activity may be subject to both internal and potential federal investigation, which may delay their immediate access.

Authorized Users and Restrictions

Each Card is assigned to an account, and only one account is allowed per Social Security number. You are allowed to issue up to two (2) Cards to other people for FREE, and you are permitted to allow other people to have access to your Card or Card number. However, if you do, you are liable for all transactions made with the Card or Card number by those persons. You must notify us to revoke permission for any person you previously authorized to use your Card. You are responsible for all transactions and fees incurred by you or any other person you have authorized. If you tell us to revoke another person’s use of your Card, we may revoke your Card and issue a new Card with a different number. You are wholly responsible for the use of each Card according to the terms of this Agreement.

Each cardholder agrees to these terms and conditions, as amended from time to time. For updated terms and conditions, visit the FNBT website at www.1stnb.com/prepaid or the FCB website at www.1stcb.com/prepaid. If you do not agree to these terms and conditions, please do not use the Card. In order to become a cardholder, you must be an individual who can lawfully enter into and form contracts under applicable law. By activating or using a Card, you warrant factual representation of the required information, including, but not limited to, your real name, valid U.S. mailing address and residential address (if different), Social Security number, date of birth, and telephone number are accurate.

Activating the Card

Cards purchased at a banking center are activated immediately. To activate a Card that is purchased online or at a retail location, call 877-404-4833. Cards purchased online or at a retailer must first be registered online. To register your Card online, go to the FNBT website at www.1stnb.com/prepaid or the FCB website at www.1stcb.com/prepaid and log in to the cardholder Card Services website.

Using the Card

You may use the Card as often as you like to obtain goods and services up to the amount of funds that have been placed on the Card. The Card will allow you to make purchases everywhere in the United States where MasterCard® is accepted. You are responsible for all transactions initiated by use of your Card. If you permit someone else to use your Card we will treat this as if you have authorized such use and you will be responsible for any transactions made subject to such use.

You also may use the Card outside of the United States, including with foreign Internet merchants, at the merchant's discretion. If a Card is used to make a purchase outside the United States, MasterCard® will convert the local currency amount of the transaction to U.S. Dollars. The exchange rate between the transaction currency and the billing currency used for processing international transactions is either (a) a rate selected by MasterCard® from the range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate MasterCard® itself receives, or (b) the government-mandated rate in effect for the applicable central processing date. The currency conversion rate for the processing date may differ from the rate in effect on the date of the transaction or the date the transaction is charged to the Card's balance.

If you use your Card number without presenting your Card (such as for a mail order or telephone purchase), the legal effect will be the same as if you used the Card itself. For security reasons, we may limit the amount or number of transactions you can make on your Card. You can redeem your Card for cash. You may use your Card to access cash at an Automated Teller Machine (ATM); a Personalized Identification Number (PIN) is required. To obtain a PIN please call 877-404-4833.

For certain transactions you will need the Card authentication code, which is the 3-digit code that is located on the back of the Card next to the signature panel. This authentication code is required when requesting an Operator-Assisted Call at 877-404-4833 and to access the online cardholder Card Services website at www.1stnb.com/prepaid for FNBT or www.1stcb.com/prepaid for FCB.

Each time you use the Card, we will deduct the full amount of the purchase, including any taxes and fees, plus additional amounts authorized by merchants and processed through the payment authorization system, from the remaining balance of funds on the Card. As discussed below, additional authorized amounts may temporarily reduce the available funds on the Card. If you use the Card for more than its available value, you agree to pay us the difference upon demand.

Purchases at Restaurants, Gas Stations, Hotels, Salons, Spas, Rental Car Companies and Similar Merchants

In some cases Card purchases may be declined because the authorization amount exceeds the available balance of funds on the Card or exceeds the final transaction amount of the purchase. The reason for this difference is that the merchant may not know the final amount of the transaction at the time the Card is used. This difference is typical at merchants like restaurants and salons where tips are customary. When using the Card at a merchant where a tip is included your authorization amount may be for 20% over the normal purchase amount. Purchases made at a "pay at the pump" gas station may authorize up to \$75.00 or more even if your purchase amount is less, which reduces the overall available amount on the Card. You may be able to avoid transaction holds by purchasing gasoline inside the station.

Merchant authorizations that hold available funds on the Card typically reduce the balance until the actual purchase amount is received by us, which can be up to seven (7) days later or more depending on the merchant. If we have reduced your Card balance due to merchant holds submitted through the payment authorization system, attempted transactions for the amount of the remaining balance of the Card may be declined.

Combining Forms of Payment

If you wish to use your Card to purchase an item for more than the available balance on the Card, subject to the merchant's policy, you may be able to use your Card toward a portion of the purchase price and then use another form of payment to pay the balance of the purchase price. Before using the Card in combination with another form of payment, please contact Card Services at 877-404-4833 to confirm the available balance on your Card. The merchant may or may not accept multiple forms of payment, in its discretion, and we do not guarantee that a merchant will accept two forms of payment for a purchase.

Card Balances

You are responsible for knowing the balance available on your Card at all times. Merchants will not have knowledge of the available balance on your Card, so you need to know the balance prior to making purchases. To obtain your balance visit us online at www.1stnb.com/prepaid for FNBT or www.1stcb.com/prepaid for FCB and log in to the cardholder Card Services website or call 877-404-4833.

Prohibited Uses and Limitations

You may not use your Card: (a) to obtain more than \$600 in cash from ATM's each day; or (b) to purchase more than \$1,500 (or the amount on your Card, if less) worth of goods or services (including cash back) in point-of-sale transactions each day. For security reasons, there may be additional limits on the amount, number or type of transactions you can make using your Card.

You do not have the right to stop payment on any purchase transaction originated by use of your Card. If you authorize a transaction and then fail to make a purchase of that item as planned, the approval may result in a hold for that amount of funds. Please note that we have no control over when a merchant settles a previously authorized transaction. When you use your Card to rent a vehicle, hotel room, or to make other purchases, the merchant may initiate an authorization hold on your funds. Merchants may initiate authorization holds for many reasons, including (without limit) to satisfy "security deposit" requirements or to ensure available funds when you complete your transaction. Funds loaded onto the Card that are subject to an authorization hold will not be available to pay for other purchases or ATM withdrawals.

YOU ARE PROHIBITED FROM USING THE CARD FOR GAMBLING AND FOR OTHER UNLAWFUL ACTIVITIES.

Reloading Your Card

You may load additional amounts onto your Card:

- With cash at any FNBT/FCB branch;
- By cashing a payroll check from your employer or a government-issued check at a FNBT/FCB branch and asking the personal banker to load the value to your Card;
- At retail locations that participate in the MasterCard® rePower™ network; and
- By Direct Deposit from your employer of your salary or wages.

You can reload your Card at any FNBT/FCB branch for FREE. Please note that if you reload your Card at other locations, or if you reload your Card by purchasing a MoneyPak®, we do not charge you a fee, but those businesses or Green Dot may charge a fee to you for the service they provide. The maximum amount that may be loaded to a Card in a single reload is \$1,500. The maximum amount that may be loaded to a Card in a day is \$1,500. In no event may the balance of any Card exceed \$5,000. For security reasons, there may be additional limits on the amount, number or type of reloads you can make to your Card.

Additional Information about Reloading through the MasterCard® rePower™ network.

Many retail merchants throughout the United States accept MasterCard® rePower™. The retailer will support one of two reloading methods: (a) card swipe method in which the Card is swiped and the cash is added onto the Card or (b) purchase a Green Dot MoneyPak® and follow the instructions listed on the materials. Additional load fees charged by the retailer may apply.

Additional Information about Reloading through Direct Deposit.

You may arrange to have Direct Deposit on your Card by logging in to our cardholder Card Services website at www.1stnb.com/prepaid for FNBT or www.1stcb.com/prepaid for FCB. We restrict the maximum value load you may place on your Card and any other Cards you have authorized. You agree to present the Card and meet identification requirements to complete load transactions.

No Expiration; Valid Through Date

The funds on the Card do not expire, but they will be reduced by fees as disclosed in this Agreement. You may access the funds on the Card until the available balance reaches \$0, subject to abandoned property (discussed below) and other applicable laws, though the Card may be reloaded.

The date noted on the front of the Card is the date through which use of the Card is valid. This date is required to ensure that the Card can be used with merchants that request and/or require customers to provide a Card expiration date during the transaction process. You may not use the Card after the noted valid through date. If you still have available funds on the Card after the valid through date has passed, you may contact us at 877-404-4833 or visit any FNBT/FCB branch for a replacement Card.

Abandoned Property

Under Texas law, Cards that have available funds must be escheated (turned over as abandoned property) to the State of Texas after a certain amount of time if we do not know the existence and location of the owner. If you keep your contact information up to date, then your Card will not be escheated to the State of Texas. If you do not properly register your Card with us or keep your information up to date, then we will have to turn over your Card's available balance as abandoned property to the State of Texas on (a) the third anniversary of the Card issue date, if the Card is not used after issuance, or (b) the third anniversary of the date the Card was last used. To protect your interest in the available funds on the Card, please properly register your Card and keep your contact information up to date. If the Card's available balance is escheated to the State of Texas, you will no longer have access to the funds that were on the Card prior to escheatment.

Under New Mexico law, Cards that have available funds must be escheated (turned over as abandoned property) to the State of New Mexico after a certain amount of time if we do not know the existence and location of the owner. If you keep your contact information up to date, then your Card will not be escheated to the State of New Mexico. If you do not properly register your Card with us or keep your information up to date, then we will have to turn over your Card's available balance as abandoned property to the State of New Mexico on (a) the fifth anniversary of the Card issue date, if the Card is not used after issuance, or (b) the fifth anniversary of the date the Card was last used, whichever date is earlier. To protect your interest in the available funds on the Card, please properly register your Card and keep your contact information up to date. If the Card's available balance is escheated to the State of New Mexico, you will no longer have access to the funds that were on the Card prior to escheatment.

Under Arizona law, Cards that have available funds are not considered property and are not subject to escheat laws of the State of Arizona. Accordingly, your Card's available balance will not be turned over to the State of Arizona due to inactivity or non-use of the Card. However, we will continue to reduce the funds by fees as disclosed in this Agreement. You may access the funds on the Card until the available balance reaches \$0.

Amendments

We may amend this Agreement at any time, and the amendment will become effective once it has been posted on our website at www.1stnb.com/prepaid for FNBT or www.1stcb.com/prepaid for FCB, provided, however, that we may modify any term of this Agreement or terminate this Agreement immediately, without notice to you, in order to comply with applicable law or the request, recommendation or order of any appropriate federal or state authority.

Applicable Law

This Agreement shall be governed by the laws of the State of Texas (without regard to that state's conflict of law principles) and applicable federal law; provided, however, that the Arbitration provision set forth below shall be governed by the Federal Arbitration Act. A determination that any provision of this Agreement is unenforceable or invalid shall not render any other provision of this Agreement unenforceable or invalid.

Agreement to Arbitrate; Class Action Waiver; Damage Limitation; Jury Trial Waiver; Etc.

a. Agreement to Arbitrate.

i. The Bank and you (including your representatives, if any, and those persons with authority to access the Card) agree to resolve all disputes involving the Bank through arbitration, whether such disputes or matters in question arise out of or related to this Agreement or the relationship between you and the Bank related to the Card, and whether sounding in contract, tort or otherwise. At arbitration, disputes shall be resolved in accordance with the commercial arbitration rules (the "Rules") of the American Arbitration Association (the "AAA"), and all such proceedings shall be subject to the Federal Arbitration Act. Arbitration shall take place in Bell County, Texas. Any party that desires to enforce an arbitration award in court may seek enforcement of the arbitration award only in, and such award shall be enforceable only by, courts in Bell County, Texas having jurisdiction thereof.

ii. Disputes between you and the Bank shall be resolved by one arbitrator, who shall be appointed in accordance with the Rules. Each party shall be responsible for its own attorneys' fees and other costs and expenses of arbitration, provided that the arbitration award may include the payment of such fees, costs and expenses.

iii. The selected arbitrator shall decide whether a particular dispute is or is not arbitrable.

b. Class Action Waiver. By purchasing and/or using this Card, you and your representatives give up your right to serve as a class representative for, or participate as a member of, a class action, whether in court or in arbitration, in connection with a dispute involving the Bank.

c. Damage Limitation. Only damages allowed pursuant to this Agreement may be awarded, and no arbitrator, court or other authority shall have the power or authority to award punitive or exemplary damages. The Bank, you and your representatives hereby waive the right, if any, to recover punitive or exemplary damages, either in arbitration or litigation.

d. Jury Trial Waiver. By purchasing and/or using this Card, you and your representatives give up your right to have a trial by jury and waive your right to have a trial by jury to resolve any disputes involving the Bank.

e. Procedure for Injunctive Relief. In the event a party seeks injunctive relief, the claim shall be administratively expedited by the AAA, which shall appoint a single, neutral arbitrator for the limited purpose of deciding such claim. The selected arbitrator shall decide the claim for injunctive relief immediately on hearing or receiving the parties' submissions (unless, in the interests of justice, the arbitrator must rule ex parte); provided, however, that the selected arbitrator shall rule on such claims within 24 hours of submission of the claim to the AAA. The selected arbitrator's ruling shall not extend beyond fourteen (14) calendar days and on application by the claimant, up to an additional fourteen (14) days following which, after a hearing on the claim for injunctive relief, a temporary injunction may issue pending the award. Any relief granted under this procedure for injunctive relief shall be specifically enforceable in the state district courts situated in Bell County, Texas, on an expedited, ex parte basis and shall not be the subject of any evidentiary hearing or further submission by either party, but the court, on application to enforce a temporary order, shall issue such orders as necessary to its enforcement.

f. Survival of Obligations; Severability. The obligations of you, your representatives and the Bank under the foregoing provisions will survive the termination of your Card and the termination of all of your business with us. If any part of the foregoing provisions related to the agreement to arbitrate disputes is found to be unenforceable, then none of the provisions regarding arbitration will apply, but the Damage Limitation, Class Action Waiver and the Jury Trial Waiver shall continue to apply.
