FACTS	S WHAT DOES FIRST STATE BANK DO WITH YOUR PERSONAL INFORMATION?				
Why?	Financial companies choose how they share your personal information. Federal law gives consumers the right to limit some but not all sharing. Federal law also requires us to tell you how we collect, share, and protect your personal information. Please read this notice carefully to understand what we do.				
What?	The types of personal information we collect and share depend on the product or service you have with us. This information can include				
	 Social Security number and payment history Overdraft history and transaction history Account transactions and checking account information 				
When you are no longer our customer, we continue to share your information as described in this notice.					
	All financial companies need to share customers' personal information to run their everyday business. In the section below, we list the reasons financial companies can share their customers' personal information; the reasons FIRST STATE BANK chooses to share; and whether you can limit this sharing.

What We Do	
How does FIRST STATE BANK protect my personal information?	To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.
	We also maintain other physical, electronic and procedural safeguards to protect this information and we limit access to information to those employees for whom access is appropriate.
How does FIRST STATE BANK collect my personal information?	We collect your personal information, for example, when you
	 Open an account Apply for a loan Provide account information Deposit money Use your credit or debit card
Why can't I limit all sharing?	Federal law gives you the right to limit only
	 sharing for affiliates' everyday business purposes - information about your creditworthiness affiliates from using your information to market to you sharing for nonaffiliates to market to you

State laws and individual companies may give you additional rights to limit sharing.

Companies related by common ownership or control. They can be financial and non-financial companies.

Companies not related by common ownership or control. They can be financial and non-financial companies.

• FIRST STATE BANK does not share with nonaffiliates so they can market to you.

A formal agreement between nonaffiliated financial companies that together market financial products or services to you.

• FIRST STATE BANK doesn't jointly market.
