What We Do

How does Jersey State Bank protect my personal information?

To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.

How does Jersey State Bank collect my personal information?

We collect your personal information, for example, when you

- **Open an account or apply for a loan**
- **show your driver's license or give us your contact information**
- **make deposits or withdrawals from your account**

We also collect your personal information from others, such as credit bureaus, affiliates, or other companies.

Why can't I limit all sharing?

Federal law gives you the right to limit only

- **sharing for affiliates' everyday business purposes - information about your creditworthiness**
- **affiliates from using your information to market to you**
- **sharing for nonaffiliates to market to you**

State laws and individual companies may give you additional rights to limit sharing.

Definitions

Affiliates

Companies related by common ownership or control. They can be financial and non-financial companies.

- ***Jersey State Bank does not share with our affiliates.***

Nonaffiliates

Companies not related by common ownership or control. They can be financial and non-financial companies.

- ***Jersey State Bank does not share with nonaffiliates so they can market to you.***

Joint Marketing

A formal agreement between nonaffiliated financial companies that together market financial products or services to you.

Marketing

products or services to you.

- **Jersey State Bank doesn't jointly market.**

Other Important Information

For Illinois Customers. We will not share personal information with non-affiliates either for them to market to you or for joint marketing - without your authorization
