What we do	
How does Meadowland Credit Union protect my personal information? To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.	
How does Meadowland Credit Union collect my personal information? We collect your personal information, for example, when you ·open an account or deposit money ·pay your bills or apply for a loan ·use your credit or debit card We also collect your personal information from others, such as credit bureaus, affiliates, or other companies.	
Why can't I limit all sharing? Federal law gives you the right to limit only: ·sharing for affiliates' everyday business purposes - information about your creditworthiness ·affiliates from using your information to market to you ·sharing for nonaffiliates to market to you State laws and individual companies may give you additional rights to limit sharing.	
What happens when I limit sharing for an account I hold jointly with someone else? Your choice will apply to everyone on your account.	

Definitions	
Affiliates	Companies related by common ownership or control. They can be financial and nonfinancial companies. *Meadowland Credit Union does not share with our affiliates*
Nonaffiliates	Companies not related by common ownership or control. They can be financial and nonfinancial companies. *Meadowland Credit Union does not share with our nonaffiliates so they can market to you.*
Joint Marketing	A formal agreement between nonaffiliated financial companies that together market financial products or services to you. *Meadowland Credit Union does not jointly market.*
