

CONSUMER PRIVACY POLICY

FACTS

WHAT DOES NEW TRIPOLI BANK DO WITH YOUR PERSONAL INFORMATION?

Why?

Financial companies choose how they share your personal information. Federal law gives consumers the right to limit some but not all sharing. Federal law also requires us to tell you how we collect, share, and protect your personal information. Please read this notice carefully to understand what we do.

What?

The types of personal information we collect and share depend on the product or service you have with us. This information can include:

- Social Security number
- Account balances
- Credit history
- Transaction history
- Payment history
- Credit card or other debt

When you are *no longer* our customer, we continue to share your information as described in this notice.

How?

All financial companies need to share customer's personal information to run their everyday business. In the section below, we list the reasons financial companies can share their customer's personal information; the reasons New Tripoli Bank chooses to share; and whether you can limit this sharing.
