## FACTS WHAT DOES PLUS INTERNATIONAL BANK DO WITH YOUR PERSONAL INFORMATION?

**Why?** Financial companies choose how they share your personal information. Federal law gives consumers the right to limit some but not all sharing. Federal law also requires us to tell you how we collect, share, and protect your personal information. Please read this notice carefully to understand what we do.

**What?** **The types of personal information we collect and share depend on the product or service you have with us. This information can include: Social Security number and Income Account balances and Payment history Credit history and Checking account information When you are no longer our customer, we continue to share your information as described in this notice.**

**How?** All Financial companies need to share customers personal information to run their everyday business. In the section below, we list the reasons financial companies can share their customers personal information; the reasons Plus International Bank chooses to share; and whether you can limit this sharing.

Who we are

**Who is providing this notice?**

Plus International Bank

**What we do**

**How does Plus International Bank protect my personal information?**

To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.

Our employees are bound by a code of ethics that requires confidential treatment of customers' information.

**How does Plus International Bank collect my personal information?**

We collect your personal information, for example, when you

- Open an account or Pay your bills
- Use your debit card or Apply for a loan
- Make deposits or withdrawals from your account.

**Why can't I limit all sharing?**

Federal law gives you the right to limit only

- sharing for affiliates everyday business purposes - information about your creditworthiness
- affiliates from using your information to market to you - sharing for non-affiliates to market you

State laws and individual companies may give you additional rights to limit sharing. See below for more on your rights under state law.

**Definitions**
