What we do	
How does The Sherwood State Bank protect my personal information?	To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings. We restrict access to your personal and account information to those employees who need to know that information to provide products or services to you. Employees who violate these standards will be subject to disciplinary measures.
How does The Sherwood State Bank collect my personal information?	We collect your personal information, for example, when you have a continuing relationship by purchasing or holding financial products or services such as deposit accounts, loan accounts, safe deposit box accounts, retail installment contracts, and IRA accounts for which we act as custodian.
Why can't I limit all sharing?	<p>Federal law gives you the right to limit only</p> <ul style="list-style-type: none"> Sharing for affiliates' everyday business purposes—information about your creditworthiness Affiliates from using your information to market to you Sharing for non-affiliates to market to you <p>State laws and individual companies may give you additional rights to limit sharing.</p>
What happens when I limit sharing for an account I hold jointly with someone else?	An opt-out request by any party on a joint account will apply to all parties on the joint account.
