What we do	
How does State Bank of Ceylon protect my personal information?	<p>To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.</p> <p>We maintain procedural safeguards to protect physical and electronic information, and we limit access to information to those employees for whom access is appropriate</p>
How does State Bank of Ceylon collect my personal information?	<p>We collect your personal information, for example, when you</p> <ul style="list-style-type: none"> • Open and account • Make Deposits to your account • Make withdrawals from your account • Give us your income information

- Use your debit card
- Apply for a loan

We also collect your personal information from others, such as credit card bureaus, affiliates, or other companies.

Why can't I limit all sharing?

Federal law gives you the right to limit only

- Sharing for affiliates' everyday business purposes— information about your creditworthiness
- Affiliates from using your information to market to you
- Sharing for non-affiliates to market to you

State laws and individual companies may give you additional rights to limit sharing.
