Who we are

Who is providing this notice?

St. Vincent's Medical Center Federal Credit Union

What we do

How does SVMCFCU protect my Personal information

To protect your personal information from unauthorized access and use, we use secure measures that comply with federal law. These measures include computer safeguards and secured files and buildings

How does SVMCFCU collect my Personal information?

We collect your personal information, for example, when you, open an account or apply for a loan, pay your bills or use your debit card, give us contact information or show your driver's license. We also collect your personal information from others, such as credit bureaus, affiliates or other companies.

Why can't I limit all sharing?

Federal law gives you the right to limit only sharing for affiliates everyday business purposes, information about your creditworthiness, affiliates from using your information to market to you and sharing for non-affiliates to market to you. State laws and individual companies may give you additional rights to limit sharing. See below for more on your rights under state law.

Definitions

Affiliates

Companies related by common ownership or control. They can be financial and non-financial companies. SVMCFCU has no affiliates

Non-affiliates

Companies not related by common ownership or control. They can be financial and non-financial companies. SVMCFCU does not share with non-affiliates so they can market to you.

Joint Marketing

A formal agreement between non-affiliated financial companies that together market financial products or services to you. Our joint marketing partners include Affinion Group/Allied Solutions

Other Important Information

As an organization that collects Social Security numbers in the normal course of business, St. Vincent's Medical Center Federal Credit Union is committed to protecting the confidentiality of Social Security numbers and other information associated with a particular individual ("personal information"). We have implemented policies and procedures which are designed to: protect the confidentiality of Social Security numbers, prohibit unlawful disclosure of Social Security numbers and to limit access to Social Security Numbers.
