Membership & Account Agreement

This Agreement covers the rights and responsibilities concerning your accounts and the rights and responsibilities of the credit union providing this Agreement (credit union). In this Agreement, the words "you" and "yours" mean anyone who signs an Account Card or Account Change Card (Account Card or any other account opening document). The words "we," "us," and "our" mean the credit union. The word "account" means any one (1) or more share or other accounts you have with the credit union.

Your account type(s) and ownership features are designated on your Account Card. By signing an Account Card, each of you, jointly and severally, agree to the terms and conditions in this Agreement and Account Card, the Funds Availability Policy Disclosure, Truth-in-Savings Disclosure, Electronic Funds Transfer Agreement and Disclosure, Privacy Notice Disclosure, any Account Deposit Receipt accompanying this Agreement, the credit union's bylaws and policies, and any amendments to these documents from time to time which collectively govern your membership and accounts.

1. Membership Eligibility

To join the credit union you must meet the membership requirements including purchase and maintenance of the minimum required share(s) ("membership share") as set forth in the credit union's bylaws. You authorize us to check your account, credit and employment history, and obtain reports from third parties, including credit reporting agencies, to verify your eligibility for the accounts and services you request.

2. Single Party Accounts

An account payable to one (1) party, the owner, (which includes natural persons, corporations, partnerships, trusts established other than by the form of the account, unincorporated associations, and other organizations) qualified for credit union membership. If the owner dies, the account is payable to POD beneficiary(ies), if so named, or as a part of the owner's estate under his or her will or by the applicable laws of intestacy. Payment of the account is subject to other provisions of this Agreement protecting the credit union for honoring transfer and withdrawal requests by the owner or by the owner's agent prior to notice of the owner's death and to our statutory lien for the owner's obligations and to any security interest or pledge granted by the owner.

3. Joint Multiple Party Accounts

A joint account is an account payable to any one (1) or two (2) or more parties, the owners. During life, the owners of a joint multiple party account own the account in proportion to their net contributions to the account. The owners of a joint multiple party account are presumed to own the account in equal undivided interests unless there is satisfactory proof of the parties' net contributions to the account. The owners' net contributions to a joint multiple party account are calculated in accordance to Sec. 125.104(b) of the Texas Finance Code and Sec. 436(6) of the Texas Probate Code, as amended from time to time.

a. Rights of Survivorship. For joint multiple party accounts with rights of survivorship, on the death of one (1) party, all sums in the account on the date of the death vest in and belong to the surviving party as his or her separate property and estate. This means when one (1) owner dies, ownership of the account passes to the surviving owner(s). If there are two (2) or more surviving owners, their respective ownerships during lifetime shall be in proportion to their previous net contributions to the account increased by an equal share for each survivor of any interest the decedent may have owned in the account immediately before his or her death. The rights of survivorship in the account continue until only one (1) owner remains surviving. For a joint multiple party account without rights of survivorship, when one (1) owner dies, the deceased owner's interest in the account passes as part of the deceased owner's estate under his or her will or by the applicable laws of intestacy. Payment of the account is subject to other provisions of this Agreement protecting the credit union for honoring transfer and withdrawal requests of an owner or by an owner's agent prior to notice of an owner's death and to our statutory lien for the owner's obligations and to any security interest or pledge granted by the owner.

b. Control of Joint Multiple Party Accounts. Any owner is authorized and deemed to act for any other owner(s) and may instruct us regarding transactions and other account matters. Each owner guarantees the signature of any other owner(s). Any owner may withdraw all funds, stop payment on items, transfer, or pledge to us all or any part of the shares without the consent of the other owner(s). We have no duty to notify any owner(s) about any transaction. We reserve the right to require written consent of all owners for any change to or termination of an account. However, subject to a policy adopted by the credit union's board of directors, a member, by written notice to us, may change any joint owner designated on the account or remove any such joint owner, change the form of the account, or stop or vary payment under the terms of the account. If we receive written notice of a dispute between owners or inconsistent instructions from them, we may suspend or terminate the account and require a court order or written consent from all owners to act.

c. Joint Multiple Party Account Owner Liability. If an item deposited in a joint multiple party account is returned unpaid, a joint multiple party account is overdrawn, or if we do not receive final payment on a transaction, the owners, jointly and severally, are liable to us for the amount of the returned item, overdraft, or unpaid amount and any charges, regardless of who initiated or benefited from the transaction. If any owner is indebted to us, we may enforce our rights against any account of the indebted owner, including all funds in a joint multiple party account regardless of who contributed the funds in the account.

4. POD Account

A single or joint multiple party account that is payable on request to the owners during their lifetimes and upon the death of all owners is payable to the surviving named POD beneficiaries. If there is more than one (1) surviving POD beneficiary, the beneficiaries shall own the account jointly without rights of survivorship. Any POD designation shall not apply to Individual Retirement Accounts (IRAs). We are not obligated to notify any beneficiary of the existence of any account or the vesting of the beneficiary's interest in any account, except as provided by law.

5. Accounts for Minors

We may require any account established by a minor to be a joint multiple party account with an owner who has reached the age of majority under state law and who shall be jointly and severally liable to us for any returned item, overdraft, or unpaid charges or amounts on such account. We may pay funds directly to the minor without regard to his or her minority. Unless a parent is an account owner, the parent shall not have any account access rights. We have no duty to inquire about the use or purpose of any transaction. We will not change the account status when the minor reaches the age of majority unless authorized in writing by all account owners.

6. Accounts Subject to TUTMA

An account designated as subject to the Texas Uniform Transfers to Minors Act (TUTMA) is a single party account for a minor. The account is created by the transfer of funds into an account subject to the TUTMA for a named minor. The transfer and all additional deposits to the account are irrevocable gifts to the minor. The transferor of the initial deposit to the account must name one (1) person eligible under the TUTMA to serve as custodian of the account. The custodian has possession and control of the account and is required by law to manage the account for the exclusive right and benefit of the minor and, barring a court order otherwise, is the only party entitled to make deposits, withdrawals, or close the account. We have no duty to inquire about the use or purpose of any transaction. If the custodian dies without a successor custodian already named for the account, we may suspend the account until a successor custodian is named, we receive instructions from any person authorized by law to withdraw funds or we receive a court order authorizing withdrawal.

7. Convenience Account

A convenience account is an account established by one (1) or more parties, the owners, who have authorized one (1) or more other persons, the convenience signers, to make transactions to the account. All sums on deposit in a convenience account may be paid or delivered to the account, to the owner(s), or to the convenience signer(s) for the convenience of the owner(s). The convenience signer(s) have no ownership interest in a convenience account and no voting rights in the Credit Union. The deposit of funds to a convenience account does not affect the title to the deposit and does not constitute a gift to a convenience signer of the deposit, any additions, or any accruals. If anyone other than an account owner makes a deposit to a convenience account, the deposit and any additions and accruals are deemed to have been made by an owner. Upon the death of the last surviving owner, ownership of a convenience account passes as a part of the owner's estate under his or her will or by the applicable laws of intestacy; a convenience signer has no right of survivorship in the account. We may continue to pay funds in a convenience account to the convenience signer(s) until we receive written notice from any account owner not to make payment to a convenience signer(s) until we receive written notice of the death of the last account owner. We have no duty to inquire about the use or purpose of any transaction made by a convenience signer for a convenience account. A convenience signer may be designated on other accounts; all laws that apply to the convenience signer designated on other accounts are equal to the extent of the law applicable to a convenience signer on a convenience account.

8. Deposit of Funds Requirement

Funds may be deposited to any account, in any manner approved by the credit union in accordance with the requirements as set forth in this document. Deposits made by mail, at night depositories or at unstaffed facilities are not our responsibility until we receive them. We reserve the right to refuse or to return any deposit.

a. Endorsements. We may accept transfers, checks, drafts, and other items for deposit into any of your accounts if they are made payable to, or to the order of, one (1) or more account owners even if they are not endorsed by all payees. You authorize us to supply missing endorsements of any owners if we choose. If a check, draft or item that is payable to two (2) or more persons is ambiguous as to whether it is payable to either or both, we may process the check, draft or item as though it is payable to either person. If an insurance, government, or other check or draft requires an endorsement, we may require endorsement as set forth on the item. Endorsements must be made on the back of the share draft or check within 1½ inches from the top edge, although we may accept endorsements outside this space. However, any loss we incur from a delay or processing error resulting from an irregular endorsement or other markings by you or any prior endorser will be your responsibility.

b. Collection of Items. We act only as your agent and we are not responsible for handling items for deposit or collection beyond the exercise of ordinary care. We are not liable for the negligence of any correspondent or for loss in transit, and each correspondent will only be liable for its own negligence. We may send any item for collection. Items drawn on an institution located outside the United States are handled on a collection basis only. You waive any notice of nonpayment, dishonor, or protest regarding items we purchase or receive for credit or collection to your account. We reserve the right to pursue collection of previously dishonored items at any time, including giving a payer financial institution extra time beyond any midnight deadline limits.

Disclosures & Information Packet – August 2013

c. Restrictive Legends. Some checks and drafts contain restrictive legends or similar limitations on the front of the item. Examples of restrictive legends include "two signatures required", "void after 60 days" or "not valid over \$500." We are not liable for payment of any check or draft contrary to a restrictive legend or other limitation contained in or on the item unless we have specifically agreed in writing to the restrictions or limitations.

d. Final Payment. All items or Automated Clearing House (ACH) transfers credited to your account are provisional until we receive final payment. If final payment is not received, we may charge your account for the amount of such items or ACH transfers and impose a return item charge on your account. Any collection fees we incur may be charged to your account. We reserve the right to refuse or return any item or funds transfer.

e. Direct Deposits. We may offer preauthorized deposits (e.g., payroll checks, Social Security or retirement checks, or other government checks) or preauthorized transfers from other accounts. You must authorize direct deposits or preauthorized transfers by filling out a separate form. You must notify us at least 30 days in advance to cancel or change a direct deposit or transfer option. If your account is overdrawn, you authorize us to deduct the amount your account is overdrawn from any deposit, including deposits of government payments or benefits. Upon a bankruptcy filing, unless you cancel the authorization, we will continue applying payments from direct deposits in accordance with your authorization on file with us. If we are required to reimburse the U.S. Government for any benefit payment directly deposited into your account, we may deduct the amount returned from any of your accounts, unless prohibited by law.

f. Crediting of Deposits. Deposits made after the deposit cut-off time and deposits made on either holidays or days that are not our business days will be credited to your account on the next business day.

9. Account Access

a. Authorized Signature. Your signature on the Account Card authorizes your account access. We will not be liable for refusing to honor any item or instruction if we believe the signature is not genuine. If you have authorized the use of a facsimile signature, we may honor any check or draft that appears to bear your facsimile signature even if it was made by an unauthorized person. You authorize us to honor transactions initiated by a third person to whom you have given your account number even if you do not authorize a particular transaction.

b. Access Options. You may withdraw or transfer funds from your account(s) in any manner we permit (e.g., at an automated teller machine, in person, by mail, Internet access, automatic transfer, or telephone, as applicable). We may return as unpaid any check or draft drawn on a form we do not provide, and you are responsible for any loss we incur handling such a check or draft. We have the right to review and approve any form of power of attorney and may restrict account withdrawals or transfers. We are under no obligation to honor any power of attorney.

c. Credit Union Examination. We may disregard information on any check or draft other than the signature of the drawer, the amount and any magnetic encoding. You agree we do not fail to exercise ordinary care in paying an item solely because our procedures do not provide for sight examination of items.

10. ACH & Wire Transfers

Except as amended by this Agreement, electronic funds transfers we permit that are subject to Article 4A of the Uniform Commercial Code will be subject to such provisions of the Uniform Commercial Code as enacted by the state where the main office of the credit union is located. We may execute certain requests for electronic funds transfers by Fedwire. Fedwire transactions are subject to Federal Reserve Board Regulation J. You may order electronic funds transfers to or from your account. We will debit your account for the amount of an electronic funds transfer and will charge your account for any fees related to the transfer. Unless we agree otherwise in writing, we reserve the right to refuse to execute any order to transfer funds to or from your account. We are not obligated to execute any order to transfer funds out of your account if the amount of the requested transfer plus applicable fees exceeds the available funds in your account. We are not liable for errors, delays, interruptions or transmission failures caused by third parties or circumstances beyond our control including mechanical, electronic or equipment failure. We will not provide you with next day notice of ACH, wire transfers and other electronic payments credited to your account. You will receive notice of such credits on your account statements. You may contact us to determine whether a payment has been received. If we fail to properly execute a payment order, and such action results in a delay in payment to you, we will pay you dividends or interest for the period of delay as required by applicable law. The dividends or interest paid to you will be based on the lowest nominal dividend or interest rate we were paying on any account during that period. Payment orders we accept will be executed within a reasonable time of receipt but may not necessarily be executed on the date they are received. Cut-off times may apply to the receipt, execution and processing of funds transfers, payment orders, cancellations, and amendments and, if received after a cut-off time, may be treated as having been received on the next following funds transfer business day. Information about any cut-off times is available upon request. When you initiate a wire transfer, you may identify the recipient and any financial institution by name and by account or identifying number. The credit union and any other financial institutions facilitating the transfer may rely strictly on the account or identifying number even if the number identifies a different person or financial institution. Any account owner may amend or cancel a payment order even if that person did not initiate the order. We may refuse requests to amend or cancel a payment order that we believe will expose the credit union to liability or loss. Any request to amend or cancel a payment order that we accept will be processed within a reasonable time after it is received. You agree to hold us harmless from and indemnify us for all losses and expenses resulting from any actual or attempted amendment or cancellation of a payment order. We may require you to follow a security procedure to execute a payment order or certain electronic funds transfer transactions. We will notify you of any such security procedures and you agree that our security procedures are commercially reasonable.

11. Account Rates & Fees

We pay account earnings and assess fees against your account as set forth in the Truth-in-Savings Disclosure or Schedule of Fees and Charges. We may change the Truth-in-Savings Disclosure or Schedule of Fees and Charges at any time and will notify you as required by law.

12. Transaction Limitations

a. Withdrawal Restrictions. We will pay checks or drafts, permit withdrawals and make transfers from available funds in your account. The availability of funds in your account may be delayed as described in our Funds Availability Policy Disclosure. We may also pay checks or drafts, permit withdrawals and make transfers from your account from insufficient available funds if you have established an overdraft protection plan or, if you do not have such a plan with us, according to our overdraft payment policy.

We may refuse to allow a withdrawal in some situations, and will advise you accordingly: for example, (1) a dispute between account owners (unless a court has ordered the credit union to allow the withdrawal); (2) a legal garnishment or attachment is served; (3) the account secures any obligation to us; (4) required documentation has not been presented; or (5) you fail to repay a credit union loan on time. We may require you to give written notice of seven (7) days to 60 days before any intended withdrawals.

b. Transfer Limitations. We may limit the dollar amount or the number of transfers from your account. Please consult the account disclosures or the Electronic Funds Transfer Agreement and Disclosure.

13. Certificate Accounts

Any time deposit, term share, share certificate, or certificate of deposit account allowed by state law (certificate account), whichever we offer, is subject to the terms of this Agreement, the Account Disclosures and Account Deposit Receipt for each account, the terms of which are incorporated herein by reference.

14. Overdrafts

a. Payment of Overdrafts. If, on any day, the available funds in your share or deposit account are not sufficient to pay the full amount of a check, draft, item, transaction or other items posted to your account plus any applicable fee ("overdraft"), we may pay or return the overdraft. The credit union's determination of an insufficient available account balance may be made at any time between presentation and the credit union's midnight deadline with only one (1) review of the account required. We do not have to notify you if your account does not have sufficient available funds to pay an overdraft. Your account may be subject to a charge for each overdraft regardless of whether we pay or return the overdraft. Except as otherwise agreed in writing, if we exercise our right to use our discretion to pay an overdraft, we do not agree to pay overdrafts in the future and may discontinue covering overdrafts at any time without notice. If we pay an overdraft or impose a fee that overdraws your account, you agree to pay the overdrawn amount in accordance with your overdraft protection plan or, if you do not have such a plan, in accordance with our overdraft payment policy.

b. Order of Payments. Checks, drafts, items and other transactions may not be processed in the order that you make them or in the order that we receive them. We may, at our discretion, pay a check, draft or item and execute other transactions on your account in any order we choose. The order in which we process checks, drafts and items and execute other transactions on your account may affect the total amount of overdraft fees that may be charged to your account. Please contact us if you have questions about how we pay checks or drafts and process transfers and withdrawals.

15. Postdated and Statedated Drafts

You agree not to issue any check or draft that is postdated. If you do issue a check or draft that is payable on a future date and we pay it before that date, you agree that we shall have no liability to you for such payment. You agree not to deposit checks, drafts or other items before they are properly payable. We are not obligated to pay any check or draft drawn on your account that is presented more than six (6) months past its date.

16. Stop Payment Orders

a. Stop Payment Order Request. Any owner may request a stop payment order on any check or draft drawn on the owner's account. To be binding the order must be in writing, dated, signed, and must accurately describe the check or draft including the exact account number, check or draft number and the exact amount of the check or draft. This exact information is necessary for the credit union to identify the check or draft. If we receive incorrect or incomplete information, we will not be responsible for failing to stop payment on the check or draft. In addition, we must receive sufficient advance notice of the stop payment order to allow us a reasonable opportunity for us to act on it. If we re-credit your account after paying a check or draft over a valid and timely stop payment order, you agree to sign a statement describing the dispute with the payee, to assign to us all of your rights against the payee or other holders of the check or draft and to assist us in any legal action.

b. Duration of Order. Written stop payment orders are effective for six (6) months and may be renewed for additional six (6) month periods by requesting in writing that the stop payment order be renewed within a period during which the stop payment order is effective. We are not required to notify you when a stop payment order expires.

c. Liability. Fees for stop payment orders are set forth in the Schedule of Fees and Charges. You may not stop payment on any certified check, cashier's check, teller's check, or any other check, draft, or payment guaranteed by us. Although payment of an item may be stopped, you may remain liable to any item holder, including us. You agree to indemnify and hold the credit union harmless from all costs,

including attorney's fees, damages or claims related to our refusing payment of an item, including claims of any joint account owner, payee, or endorsee in failing to stop payment of an item as a result of incorrect information provided by you.

17. Credit Union Liability

If we do not properly complete a transaction according to this Agreement, we will be liable for your losses or damages not to exceed the amount of the transaction, except as otherwise provided by law. We will not be liable if: (1) your account contains insufficient funds for the transaction; (2) circumstances beyond our control prevent the transaction; (3) your loss is caused by your or another financial institution's negligence; or (4) your account funds are subject to legal process or other claim. We will not be liable for consequential damages, except liability for wrongful dishonor. We exercise ordinary care if our actions or non-actions are consistent with applicable state law, Federal Reserve regulations and operating letters, clearinghouse rules, and general financial institution practices followed in the area we serve. You grant us the right, in making payments of deposited funds, to rely exclusively on the form of the account and the terms of this Agreement. Any conflict between what you or our employees may say or write will be resolved by reference to this Agreement.

18. Checks Presented for Payment in Person

We may refuse to accept any check or draft drawn on your account that is presented for payment in person. Such refusal shall not constitute a wrongful dishonor of the check or draft and we shall have no liability for refusing payment.

19. Remotely Created Checks

For purposes of this paragraph, "account" means a transaction account, credit account, and any other account on which checks (share drafts) may be drawn. A remotely created check is a check created by someone other than the person on whose account the check is drawn. A remotely created check is generally created by a third party payee as authorized by the owner of the account on which the check is drawn. Authorization is usually made over the telephone or through on-line communication. The owner of the account does not sign a remotely created check. In place of the owner's signature, the remotely created check usually bears a statement that the owner authorized the check or bears the owner's printed or typed name. If you authorize a third party to draw a remotely created check against your account, you may not later revoke your authorization. It is your responsibility to resolve any authorization issues directly with the third party. We are not required to credit your account and may charge against your account any remotely created check for which the third party has proof of your authorization.

20. Pledge/Statutory Lien

Unless prohibited by law, you pledge and grant as security for all obligations you may have now or in the future, except obligations secured by your principal residence, all shares and dividends and all deposits and interest, if any, in all accounts you have with us now and in the future. If you pledge a specific dollar amount in your account for a loan, we will freeze the funds in your account(s) to the extent of the outstanding balance of the loan or, if greater, the amount of the pledge if the loan is a revolving loan. Otherwise, funds in your pledged account(s) may be withdrawn unless you are in default. Federal or state law, depending upon whether we have a federal or state charter, gives us a lien on all shares and dividends and all deposits and interest, if any, in accounts you have with us now and in the future. Except as limited by state or federal law, the statutory lien gives us the right to apply the balance of all your accounts to any obligation on which you are in default. After you are in default, we may exercise our statutory lien rights without further notice to you. Your pledge and our statutory lien rights will allow us to apply the funds in your account to what you owe when you are in default, except as limited by state or federal law. If we do not apply the funds in your account(s) to satisfy your obligation, we may place an administrative freeze on your account(s) in order to protect our statutory lien rights and may apply the funds in your account(s) to the amount you owe us at a later time. The statutory lien and your pledge do not apply to any Individual Retirement Account or any other account that would lose special tax treatment under state or federal law if given as security. By not enforcing our right to apply funds in your account to your obligations that are in default, we do not waive our right to enforce these rights at a later time.

21. Legal Process

If any legal action is brought against your account, we may pay out funds according to the terms of the action or refuse any payout until the dispute is resolved. Any expenses or attorney fees we incur responding to legal process may be charged against your account without notice, unless prohibited by law. Any legal process against your account is subject to our lien and security interest.

22. Account Information

Upon request, we will give you the name and address of each agency from which we obtain a credit report regarding your account. We agree not to disclose account information to third parties except when: (1) it is necessary to complete a transaction; (2) the third party seeks to verify the existence or condition of your account in accordance with applicable law; (3) such disclosure complies with the law or a government agency or court order; or (4) you give us written permission.

23. Notices

a. Name or Address Changes. You are responsible for notifying us of any address or name change. The credit union is only required to attempt to communicate with you at the most recent address you have provided to us. We may require all name and address changes to be provided in writing. If we attempt to locate you, we may impose a service fee as set forth in the Truth-in-Savings Disclosure or Schedule of Fees and Charges.

b. Notice of Amendments. Except as prohibited by applicable law, we may change the terms of this Agreement. We will notify you of any change in terms, rates, or fees as required by law. We reserve the right to waive any term in this Agreement. Any such waiver shall not affect our right to future enforcement.

c. Effect of Notice. Any written notice you give us is effective when we receive it. Any written notice we give to you is effective when it is deposited in the U.S. mail, postage prepaid and addressed to you at your statement mailing address. Notice to any account owner is considered notice to all account owners.

d. Electronic Notices. If you have agreed to receive notices electronically, we may send you notices electronically and discontinue mailing paper notices to you until you notify us that you wish to reinstate receiving paper notices.

24. Taxpayer Identification Numbers and Backup Withholding

Your failure to furnish a correct Taxpayer Identification Number (TIN) or meet other requirements may result in backup withholding. If your account is subject to backup withholding, we must withhold and pay to the Internal Revenue Service (IRS) a percentage of dividends, interest, and certain other payments. If you fail to provide your TIN, we may suspend opening your account.

25. Statements

a. Contents. If we provide a periodic statement for your account, you will receive a periodic statement of transactions and activity on your account during the statement period as required by applicable law. If a periodic statement is provided, you agree that only one (1) statement is necessary for joint multiple party accounts. For share draft or checking accounts, you understand and agree that your original check or draft, when paid, becomes property of the credit union and may not be returned to you, but copies may be retained by us or be payable through financial institutions and made available upon your request. You understand and agree that statements are made available to you on the date they are sent to you. You also understand and agree that checks, drafts or copies thereof are made available to you on the date the statement is sent to you, even if the checks or drafts do not accompany the statement.

b. Examination. You are responsible for promptly examining each statement upon receiving it and reporting any irregularities to us. If you fail to report any irregularities such as forged, altered, unauthorized, unsigned, or otherwise fraudulent items drawn on your account, erroneous payments or transactions, or other discrepancies reflected on your statement within 33 days of the date we sent the statement to you, we will not be responsible for your loss. We also will not be liable for any items that are forged or altered in a manner not detectable by a reasonable person, including the unauthorized use of a facsimile signature machine.

c. Notice to Credit Union. You agree that the credit union's retention of checks or drafts does not alter or waive your responsibility to examine your statements or the time limit for notifying us of any errors. The statement will be considered correct for all purposes and we will not be liable for any payment made or charged to your account unless you notify us in writing within the above time limit for notifying us of any errors. If you fail to receive a periodic statement, you agree to notify us within 14 days of the time you regularly receive a statement.

26. Inactive Accounts

If your account falls below any applicable minimum balance and you have not made any transactions over a period specified in the Truth-in-Savings Disclosure or Schedule of Fees and Charges, we may classify your account as inactive or dormant. Unless prohibited by applicable law, we may charge a monthly service fee after twelve consecutive months of inactivity, as set forth in the Truth-in-Savings Disclosure or Schedule of Fees and Charges, for processing your inactive account. If we impose a fee, we will notify you, as required by law, at your last known address. You authorize us to transfer funds from another account of yours to cover any service fees, if applicable. To the extent allowed by law, we reserve the right to transfer the account funds to an account payable and to suspend any further account statements. If a deposit or withdrawal has not been made on the account and we have had no other sufficient contact with you within the period specified by state law, the account will be presumed to be abandoned. Funds in abandoned accounts will be reported and remitted in accordance with state law. Once funds have been turned over to the state, we have no further liability to you for such funds and if you choose to reclaim such funds, you must apply to the appropriate state agency.

27. Special Account Instructions

You may request that we facilitate certain trust, will, or court-ordered account arrangements. However, because we do not give legal advice, we cannot counsel you as to which account arrangement most appropriately meets the specific requirements of your trust, will, or court order. If you ask us to follow any instructions that we believe might expose us to claims, lawsuits, expenses, liabilities, or damages, whether directly or indirectly, we may refuse to follow your instructions or may require you to indemnify us or post a bond or provide us with other protection. Account changes requested by you, or any account owner, such as adding or closing an account or service, must be evidenced by a signed Account Change Card and accepted by us.

28. Termination of Account

We may terminate your account at any time without notice to you or may require you to close your account and apply for a new account if: (1) there is a change in owners or authorized signers; (2) there has been a forgery or fraud reported or committed involving your account; (3) there is a dispute as to the ownership of the account or of the funds in the account; (4) any checks or drafts are lost or stolen; (5) there are excessive returned unpaid items not covered by an overdraft protection plan; (6) there has been any misrepresentation or any other abuse of any of your accounts; or (7) we reasonably deem it necessary to prevent a loss to us. You may terminate a single party account by giving written notice. We reserve the right to require the consent of all owners to terminate a joint multiple party account. We are not responsible for payment of any check, draft, withdrawal, or other item after your account is terminated; however, if we pay an item after termination, you agree to reimburse us.

29. Termination of Membership

You may terminate your membership by giving us written notice or by withdrawing your minimum required membership share, if any, and closing all your accounts. You may be denied services for causing a loss to the credit union or you may be expelled for any reason as allowed by applicable law.

30. Death of Account Owner

We may continue to honor all transfer orders, withdrawals, deposits and other transactions on an account until we know of an owner's death. Once we know of an owner's death, we may pay checks or drafts or honor other payments or transfer orders authorized by the deceased owner for a period of ten (10) days after that date unless we receive instructions from any person claiming an interest in the account to stop payment on the checks, drafts or other items. We may require anyone claiming funds from an account of a deceased owner to indemnify us for any losses resulting from our honoring that claim. This Agreement will be binding upon any heirs or legal representatives of any account owner.

31. Severability

If a court holds any portion of this Agreement to be invalid or unenforceable, the remainder of this Agreement shall not be invalid or unenforceable and will continue in full force and effect. All headings are intended for reference only and are not to be construed as part of the Agreement.

32. Enforcement

You are liable to us for any losses, costs or expenses we incur resulting from your failure to follow this Agreement. You authorize us to deduct any such losses, costs or expenses from your account without prior notice to you. If we bring a legal action to collect any amount due under or to enforce this Agreement, we shall be entitled, subject to applicable law, to payment of reasonable attorney's fees and costs, including fees on any appeal, bankruptcy proceedings, and any post-judgment collection actions.

33. Governing Law

This Agreement is governed by the credit union's bylaws, federal laws and regulations, the laws, including applicable principles of contract law, and regulations of the state in which the credit union's main office is located, and local clearinghouse rules, as amended from time to time. Funds Availability Policy Disclosure

This disclosure describes your ability to withdraw funds at Texas Tech Federal Credit Union. It only applies to the availability of funds in transaction accounts. The credit union reserves the right to delay the availability of funds deposited to accounts that are not transaction accounts for periods longer than those disclosed in this policy. Please ask us if you have a question about which accounts are affected by this policy.

1. General Policy

Our policy is to make funds from your cash deposits available to you immediately and make funds from your check deposits available to you within two business days after we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once they are available, you can withdraw the funds in cash and we will use the funds to pay checks that you have written. For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. We have different deposit cut-off hours for different deposit locations. The earliest cut-off time that might apply is 4:00 p.m. If you make a deposit before our cut-off hour on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after our cut-off hour or on a day we are not open, we will consider that the deposit was made on the next business day we are open. Our cut-off hours are available at the Credit Union.

2. Reservation of Right to Hold

In some cases, we will not make all of the funds that you deposit by check available to you on the second business day after we receive your deposit. The first \$200.00 of your deposit will be available on the first business day after the day of your deposit. We will notify you at the time you make your deposit of any holds. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the next business day after we receive your deposit. If you will need the funds from a deposit right away, you should ask us when the funds will be available.

3. Holds On Other Funds

If we cash a check for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it. If we accept for deposit a check that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

4. Longer Delays May Apply

We may delay your ability to withdraw funds deposited by check into your account an additional number of days for these reasons:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,000 on any one (1) day.
- You deposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six (6) months.
- There is an emergency, such as failure of communications or computer equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

5. Special Rules for New Accounts

If you are a new member, the following special rules may apply during the first 30 days your account is open. Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,000 of a day's total deposits of traveler's, and federal, state, and local government checks will be available on the next business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you. The excess over \$5,000 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,000 will not be available until the second business day after the day of your deposit. Funds from all other check deposits will be available on or before the thirty (30) business day after the day of your deposit.

6. Foreign Checks

Checks drawn on financial institutions located outside the U.S. (foreign checks) cannot be processed the same as checks drawn on U.S. financial institutions. Foreign checks are exempt from the policies outlined in this disclosure. Generally, the availability of funds for deposits of foreign checks will be delayed for the time it takes us to collect the funds from the financial institutions upon which it is drawn.

Courtesy Pay Disclosure

Overdraft Protection Service

Members are expected to maintain sufficient available funds in any account to cover payment of all withdrawals and debits. If an account is covered by Courtesy Pay and there are insufficient available funds to cover some of the withdrawals or debits presented against an account, we may pay one or more of the withdrawals or debits (as we may select) creating an overdraft of the account. The credit union will only pay overdrafts up to \$500. Each item the credit union pays instead of returning the item will have an overdraft fee that is disclosed in the credit union's Fee Schedule. In the event the credit union pays a withdrawal or debit which results in an overdraft of your account, you are expected to immediately deposit sufficient funds into an account to cover the overdrawn amount. If the credit union pays a withdrawal or debit which results in an overdraft of an account, such payment shall not be a loan, and you agree to pay the fee as established by the credit union, including the fees assessed for withdrawals and debits against insufficient funds. Courtesy Pay is not a line of credit. If an account is overdrawn, the credit union has the discretion to pay the overdraft, subject to the limit of the account's overdraft protection and the amount of the overdraft fee. Texas Tech Federal Credit Union is not obligated to pay any item presented for payment if an account does not contain sufficient available funds. Any discretionary payment (or other negotiation or processing) by the credit union of any non-sufficient funds check or other item does not obligate or create an agreement or course of dealing for the credit union to pay any additional non-sufficient funds checks or items or to provide prior notice of its decision to refuse to pay any additional non-sufficient funds checks or items.

Texas Tech Federal Credit Union will have the discretion to pay overdrafts within the overdraft protection limits, but payment by the credit union is a discretionary courtesy and not a right of the account holder or an obligation of the credit union. The total of the discretionary overdraft protection (negative) balance, including any and all fees and charges, including all non-sufficient funds/overdraft fees is due and payable upon demand, and the member and each authorized signatory will continue to be liable, jointly and severally, for all such amounts, as described in the Membership and Account Agreement.

Courtesy Pay overdraft protection service may be terminated at any time by the credit union without prior notice of reason or cause. Courtesy Pay overdraft protection service may be considered by the credit union for members in good standing, which include at least:

- The member is not in default on any loan or obligation with Texas Tech Federal Credit Union;

- The member is not in violation of any provision of any agreement with us;
- The member has not died;
- The member has not filed for bankruptcy or other insolvency relief; or

Members have the right to terminate overdraft protection service at any time by notifying the credit union. Members are not guaranteed overdraft protection service in the future even if they have received this service in the past.

- As necessary to complete transactions; or
- To verify the existence of sufficient funds to cover specific transactions upon the request of a third party, such as a credit bureau or merchant; or
- To comply with government agency or court orders; or
- If you give us your written permission.

7. Business Days

Our business days are Monday through Friday, excluding holidays.

8. Credit Union Liability for Failure to Make Transactions

If we do not complete a transaction to or from your account on time or in the correct amount according to our agreement with you, we may be liable for your losses or damages. However, we will not be liable for direct or consequential damages in the following events:

- For pre-authorized transfers, if through no fault of the credit union, the payment information for a pre-authorized transfer is not received.
- If, through no fault of ours, there is not enough money in your accounts to complete the transaction, if any funds in your accounts necessary to complete the transaction are held as uncollected funds or pursuant to our Funds Availability Policy, or if the transaction involves a loan request exceeding your credit limit.
- If you used your card or access code in an incorrect manner.
- If the ATM where you are making the transfer does not have enough cash. If the ATM was not working properly and you knew about the problem when you started the transaction.
- If circumstances beyond our control (such as a flood, fire, or power failure) prevent the transaction.
- If the money in your account is subject to legal process or other claim.
- If funds in your account are pledged as collateral or frozen because of a delinquent loan.
- If the error was caused by a system of any participating ATM network.
- If the electronic transfer is not completed as a result of your willful or negligent use of your card, access code, or any EFT facility for making such transfers.
- Any other exceptions as established by the credit union.

9. Notices

All notices from us will be effective when we have mailed them or delivered them to your last known address in the credit union's records. Notices from you will be effective when received by the credit union at the address specified in this Agreement. We reserve the right to change the terms and conditions upon which this service is offered. We will mail notice to you at least 21 days before the effective date of any change. Use of this service is subject to existing regulations governing the credit union account and any future changes to those regulations.

10. Billing Errors

In case of errors or questions about MasterCard Debit Card transactions, please telephone us at the following number or send us a written notice to the following address as soon as you can. We must hear from you no later than 30 days after we sent the first statement on which the problem appears. Call (806) 742-3606 or write to Texas Tech Federal Credit Union, Box 41072, Lubbock, TX 79409-1072.

- Tell us your name and account number.
- Describe the electronic transfer you are unsure about, and explain as clearly as you can why you believe the credit union has made an error and why you need more information.
- Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will tell you the results of our investigation within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will re-credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not re-credit your account.

For transactions initiated outside the United States or in the event there are transfers resulting from a point-of-sale transaction, we will have 20 business days instead of 10 business days, and 90 calendar days instead of 45 calendar days, unless otherwise required by law, to investigate your complaint or question. If we decide after our investigation that an error did not occur, we will deliver or mail to you an explanation of our findings within three business days after the conclusion of our investigation. If you request, we will provide you copies of documents (to the extent possible without violating other members' rights to privacy) relied upon to conclude that the error did not occur.

11. Termination of MasterCard Debit Card Services

You may terminate this Agreement at any time by notifying us in writing and stopping use of your card and any access code. You must return all cards to the credit union. We may also terminate this Agreement at any time by notifying you orally or in writing. We may also program our computer not to accept your card or access code for MasterCard Debit Card services. Whether you or the credit union terminates this Agreement, the termination shall not affect your obligations under this Agreement for any electronic transactions made prior to termination.

12. Governing Law

This Agreement is governed by the Bylaws of Texas Tech Federal Credit Union, federal laws and regulations, the laws and regulations of the State of Texas and local clearinghouse rules, as amended from time to time. Any disputes regarding this Agreement shall be subject to the jurisdiction of the court of the country in which the credit union is located.

13. Enforcement

In the event either party brings a legal action to enforce the Agreement or collects any overdrawn funds on accounts accessed under this Agreement, the prevailing party shall be entitled, subject to applicable law, to fees on any appeal, bankruptcy proceedings, and any post-judgment collection actions, if applicable. If there is a lawsuit, you agree that it may be filed and heard in the country and state in which the credit union is located, if allowed by applicable law.

14. Purchases and Cash Advances Made in Foreign Currencies will be Debited from your Account in U.S. Dollars

The exchange rate between the transaction currency and the billing currency used for processing international transactions is a rate selected by MasterCard from a range available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate MasterCard itself receives or the government-mandated rate in effect for the applicable central processing date. The exchange rate used on the processing date may differ from the rate that would have been used on the purchase date or cardholder statement posting date. A fee will be imposed on all foreign transactions, including purchases, cash advances and credits to your account. A foreign transaction is any transaction that you complete or a merchant completes on your card outside of the U.S., Puerto Rico or the U.S. Virgin Islands.

15. ATM and Debit Card Safety Tips

- Treat your card like cash. Keep it in a safe place.
- Keep your personal identification number (PIN) a secret.
- Protect your card's magnetic strip. Do not expose your card's magnetic strip to magnetic objects.
- Observe the ATM surroundings before approaching the ATM. If anyone or anything appears to be suspicious, cancel your transaction and leave the area at once.
- Minimize the time spent at the ATM by having your card out and ready to use. Do not let anyone see how much money you withdraw, and never count your money at the ATM.
- Never allow a stranger to assist you in conducting an ATM transaction, even if you have trouble or the card is stuck.
- Stand between the ATM and anyone waiting to use the terminal so that others cannot see your PIN or transaction amount.
- Look for possible fraudulent devices attached to the ATM. If the ATM looks different or appears to have any alterations or attachments to the card slot or PIN pad, do not use it.
- If anyone follows you after you have completed your ATM transaction, go immediately to a crowded, well-lit area and call the police.
- Be sure the transaction is complete and you have received a receipt before leaving.

Open Transfer Disclosure & Agreement

By using the Credit Union's Open Transfer Service you agree to all of the terms and conditions disclosed in this agreement. You also agree to receive any and all communication about this Service electronically.

1. Description of Service

The Open Transfer Service enables me to request a transfer of funds: (1) from my eligible Credit Union account to a verified account (An account I hold at another financial institution); or (2) from a verified account to my eligible Credit Union account. The Credit Union generally uses the ACH Network to execute my open transfer requests, but other methods of transfer may also be used. All requests must be made through the Credit Union's Internet banking system and are subject to the terms disclosed in the Member Information Packet, this agreement, and applicable laws and regulations.

2. Authorization to Transfer Funds

Using the Open Transfer Service I hereby represent and warrant to the Credit Union that I own each eligible Credit Union account and verified account and have full right and authority to all the funds on deposit therein. In addition, I authorize the Credit Union to execute and charge my eligible Credit Union account(s) for any open transfer request to a verified account and from a verified account to my eligible Credit Union account, including any related fee, subject to any applicable limit as to dollar amount, time delays to complete transfers when my Open Transfer requests are made in accordance with the procedures established by the Credit Union. I understand and acknowledge that the Credit Union has no obligation to execute any request for a transfer using the Open Transfer Service that is not initiated in accordance with such procedures. I further acknowledge that the acceptance and processing of an open transfer request is subject to the terms and conditions stated in this agreement, as amended from time to time. This authorization shall remain in full force and effect until I have informed the Credit Union in writing that I have revoked my authorization and the Credit Union has had a reasonable opportunity to act on it.

3. Information Relied Upon by the Credit Union

I acknowledge and agree that the Credit Union is relying upon the information I provide in originating an open transfer on my behalf. Any errors in the information, including incorrect or inconsistent account names and numbers or the ABA number or name of the financial institution holding my verified account are my responsibility. Although I represent and warrant to the Credit Union that I am the owner of each verified account and describe it to the Credit Union by name and account number (or any other number), I understand and agree that if open transfer instructions identify a verified account by name and account number, the relevant financial institution may execute those instructions by reference to the account number only, even if such number does not correspond to the name. I understand that financial institutions holding my verified accounts may not investigate discrepancies between names and numbers. In addition, I agree that the Credit Union has no responsibility to investigate discrepancies between names and account numbers.

4. Limited Power of Attorney

I acknowledge and agree that when the credit union originates a request for a transfer using the Open Transfer Service, the Credit Union is acting as my agent. I agree to indemnify and hold harmless the Credit Union as my agent under this limited power of attorney.

5. Security Procedures

I agree that the Credit Union will initiate a funds transfer request for me only after I access my eligible Credit Union account(s) through its Internet banking service using the established login credentials. I acknowledge and agree that the Credit Union has established commercially-reasonable security procedures for the Open Transfer Service. 6. Verification of Accounts at Other Financial Institutions

After agreeing to this agreement and providing any additional information requested, I may enroll accounts that I hold at other financial institutions (each, a "third party account") in the Open Transfer Service. I hereby authorize the Credit Union to verify a third party account through a process referred to as "Confirmation of Trial Deposits." The credit union reserves the right to refuse any transaction which would draw upon insufficient funds, exceed a credit limit, lower an account below a required balance, or otherwise require us to increase our required reserve on the account. All checks are payable to you as a primary member and will be mailed to your address of record. The credit union may set other limits on the amount of any transaction, and you will be notified of those limits. The credit union may refuse to honor any transaction for which you do not have sufficient available verified funds. The service will discontinue if no transaction is entered after numerous unsuccessful attempts to enter a transaction, and there may be limits on the duration of each telephone call.

2. Preauthorized EFTs

If you have arranged in advance to make regular electronic fund transfers out of your account(s) for money you owe others, you may stop payment of preauthorized transfers from your account. You must notify us orally or in writing at any time up to three business days before the scheduled date of the transfer. We may require written confirmation of the stop payment order to be made within fourteen days of any oral notification. If we do not receive written confirmation, the oral stop payment order shall cease to be binding fourteen days after it has been made.

d. Notice of Varying Amounts. If these regular payments may vary in amount, the person you are going to pay is required to tell you, ten days before each payment, when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment or when the amount would fall outside certain limits that you set.

e. Liability for Failure to Stop Payment of Preauthorized Transfers. If you order us to stop payment of a preauthorized transfer three business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.
