

International privacy laws and cultural differences

Lorrie Faith Cranor

September 24, 2013

8-533 / 8-733 / 19-608 / 95-818:
Privacy Policy, Law, and Technology

**Carnegie
Mellon
University**

CyLab

Engineering &
Public Policy

Homework 2 discussion

- What technology did you write about? What are the privacy risks? How might the OECD principles be applied to reduce risks?
- What privacy enforcement action did you write about? What was the violation? How was it resolved? Was it an appropriate resolution?
- International issues: current state of privacy laws, cultural laws, similarities and differences from US

Homework 3

- Due October 8
